

A-Level Examinations Equivalency Chart

Applicability Note: The following transfer credit equivalency is applied to all students starting from Fall 2016.

Students who take A-Level examinations may be able to earn college credit or advanced standing at John Cabot University. Official scores must be sent directly from the testing organization to the Office of Admissions at JCU. For more information on A-Level examinations and on how to request official scores visit [Cambridge Assessment International Education](#) or [Pearson Edexcel](#).

Note: Due to the wide range of courses offered by Cambridge International for A-Level examinations, not all possible examination subjects have been listed on this conversion chart. Please note that the Registrar's Office will take into consideration for transfer all examinations sustained by degree candidates.
