Dear Resident,

Welcome to John Cabot University Housing!

In choosing to study at John Cabot University in Rome, you are opening yourself up to a world of new challenges and opportunities. As a resident in JCU Housing, you will have the rewarding experience of creating a residential and learning community. You will also learn to live independently in the center of this historic city. This is a wonderful opportunity. We hope that you make the most of it!

In order to create a healthy and safe community, it is important that you read and understand this Handbook fully. If you have any questions about the material covered here, you should ask for clarification during the Mandatory Housing Workshop during Orientation Week or with the Office of Housing and Residential Life (Housing Office) directly. You are responsible for all of this information.

Regardless of whether this is your first international experience or if you are a seasoned traveler, the Housing Office has set up a full support system to help ease your transition to Rome and improve the quality of your entire experience. At the center of this network is your Resident Assistant (RA), who will help you settle into the city, foster a sense of community in the neighborhood and serve as your point of reference whenever you may need assistance during your stay in John Cabot Housing.

Enjoy your time in Rome, study hard and always respect yourself and your peers. I look forward to seeing you around the neighborhood.

Sincerely,

A handwritten signature in blue ink, which appears to read 'Giorgio Silva Di Bella'.

Giorgio Silva Di Bella  
Director of Housing and Residential Life

## RESIDENT RIGHTS AND RESPONSIBILITIES

### *RIGHTS*

Residents in JCU Housing have the right to:

- A living environment that encourages intellectual and personal growth;
- A trained Resident Assistant (RA) to help with the transition to Roman life;
- A clean living environment;
- A well-maintained apartment and a timely response to maintenance requests;
- Free access to living space at all times;
- Personal privacy within the limits of the residential setting;
- Read and study free from undue interference, unreasonable noise, and other distractions;
- Sleep without undue disturbance from noise and other distractions;
- Expect that others will respect your personal belongings;
- Refuse visitors;
- Feel free from fear of intimidation and physical or emotional harm;
- Discuss with Housing Office staff any problems or concerns that arise;
- Expect that all of these rights will be respected;
- Insist on seeing identification of any person who seeks access to the apartment.

### *RESPONSIBILITIES*

Residents in JCU Housing have the responsibility to:

- Respond to all reasonable requests by roommates, apartment mates, RAs or the Housing Office;
- Communicate all concerns and requests to all involved parties in an effective and timely manner;
- Accept responsibility for personal and community safety;
- Discuss expectations regarding daytime guests;
- Inform daytime guests of behavioral standards and expectations of both the University and the JCU Housing specifically;
- Report all maintenance concerns in a timely manner;

- Treat roommate(s) with respect and consideration;
- Read and respect the JCU Housing Handbook and the John Cabot University Student Code of Conduct.

## **SAFETY IN JCU HOUSING**

### **ELEVATORS IN THE GIANICOLO RESIDENCE**

The elevators operate from 07:00 AM to 11:00 PM, during which time they are served by a security and maintenance provider. Residents should report any problems with the elevators immediately to the Service Desk or to an RA. If the elevator doors do not open or the car comes to a stop between floors, the following procedure should be followed:

- Do not try to force open the doors or climb through the elevator shaft.
- Press and hold the yellow button for approximately 5 seconds and then wait calmly. This will activate the emergency 'SOS' system and contact University staff. The staff member will speak to you directly through the intercom system and instruct you on how to proceed.

When assistance arrives or a voice speaks over the intercom system, let only one person in the elevator communicate with him or her in order to avoid confusion. Please remain calm.

The maximum capacity for each elevator is four people. The elevators will stop between floors if overloaded.

The elevator for Scala B has two doors: an internal door and an external door. Residents must wait to hear the bell ring twice after the elevator comes to a complete stop before opening the internal door. Both doors must be closed for the elevator to be used. Please make sure the external door is securely shut when exiting the elevator. Failure to follow this procedure could result in the elevator door becoming blocked.

### **FIRE EXTINGUISHERS IN THE GIANICOLO RESIDENCE**

There are fire extinguishers located in the hallway of each residential floor. Residents should only attempt to extinguish a fire if they feel knowledgeable about the use of fire extinguishers.

How to use a fire extinguisher:

1. Remove safety clip
2. Hold the hose
3. Squeeze grip lever
4. Direct the jet onto the base of fire

Abuse of a fire extinguisher will result in an automatic EUR 200 fine in addition to any other expenses for damages incurred.

## PERSONAL PROPERTY INSURANCE

As stated on the housing contract, the University is not liable for any claims for damage, theft, or loss of students' personal property brought onto University premises (including, but not limited to, water damage, fire, smoke, or theft).

Under no circumstances will John Cabot University be responsible for any loss of art, rare or irreplaceable books, manuscripts, antiques, jewelry, cash, securities, valuable papers such as deeds, furs, items that have only personal value, or other unique items.

Therefore, we strongly recommend that students leave these types of items at home as well as have an insurance policy for their personal property from the moment they leave home and throughout their stay abroad, including luggage shipping and delivery.

Students who maintain legal residency with their parents may be covered by their family's homeowners' policy. In many cases, "legal residency" refers to when parents are of substantial financial support to a college-aged student (i.e., they claim them as a dependent for tax purposes). In this case, you may indeed be covered by your parent's homeowner's insurance, but it would be wise to check with your family's agent about this first. Often, there is a substantial deductible required for loss and pricing may rise for the policy as a result of a claim.

If you need insurance, and you are not able to arrange coverage under your homeowners' or tenant's policy, John Cabot University recommends (\*) contacting:

(\*) Disclaimer:

The CSI-Insurance Agency Inc. operates independently from John Cabot University and they are solely responsible for the delivery of the service. John Cabot University is not responsible for loss, damages or inconvenience. Furthermore, the University will not intervene on processing claims in the case of dissatisfaction with the customer care received from the provider.

## **PERSONAL SAFETY**

While every individual has different needs to feel physically and emotionally secure, certain precautions should be taken by all residents:

- Avoid walking alone after dark.
- Save the phone numbers of close friends, roommates and family members in your cellular phone, as well as paper copies in a safe place.
- Carry the John Cabot University Emergency Number: +39 335 775 5474.
- Keep apartment doors dead bolted.
- Never prop open doors to any room, stairwell, entrance, etc.

## **PROPERTY SAFETY**

The following steps should be taken to protect personal property:

- Make a list of all of personal property, including serial numbers and the name of the manufacturer.
- Keep paper records of all credit card and bank account information in a safe place. Know the phone numbers of credit card providers and banks in order to report lost or stolen cards.
- Keep valuables in a secure place.
- Do not carry excess amounts of cash.
- Do not keep excess cash in apartments; make frequent trips to the *bancomat* (ATM).
- Be alert to the presence of strangers in non-public areas and immediately report their presence to the Housing Office.

## **SECURITY GUARD COVERAGE IN THE GIANICOLO RESIDENCE**

John Cabot University has contracted a third-party security company to provide security services to the Gianicolo Residence at all times of the day and night. All residents are expected to cooperate with the security guard and should present a valid ID when requested. Residents who have concerns about the conduct of the security guard are asked to report these comments in writing to the Housing Office ([housing@johncabot.edu](mailto:housing@johncabot.edu)).

## **SURVEILLANCE CAMERAS IN THE GIANICOLO RESIDENCE**

Public areas of the Gianicolo Residence are equipped with surveillance cameras. These cameras monitor and record activity in order to protect the security of the residential community.

## SERVICES, FACILITIES AND GENERAL PROCEDURES

### **BUILDING ENTRY AND EXIT (IDENTIFICATION) – GIANICOLO RESIDENCE**

All Gianicolo Residence residents are issued a Gianicolo Residence ID card. Upon entering the Gianicolo Residence, all residents are required to show their Gianicolo Residence ID. In the event that a resident is not clearly identified by his or her ID, the security guard will direct the resident to the Service Desk.

*What if my Gianicolo Residence ID is lost, damaged, or stolen?*

Gianicolo Residence residents have the responsibility to request a replacement of lost or stolen IDs as soon as possible. Replacement IDs can be made by the Housing Office (a service charge of EUR 25 for lost or stolen IDs can be paid directly to the service desk or using the University's online payment system). If a resident arrives at the Gianicolo Residence without his or her ID, the following identification procedure will take place:

- 1) The Security Guard, a member of the Service Desk staff, or RA on-call will confirm the resident's identity using his or her photo on file and/or student record.
  - a. If the staff member deems that the person is actually a resident, he or she will be allowed into the Residence and a request will be made for a replacement ID. (The below procedures for "What if I forget my ID?" will also apply.)
  - b. If the staff member deems that the person is not a resident, he or she will be escorted out of the Residence by the security guard.
  - c. A EUR 25 service charge may be applied for any resident that requires identification between the hours of 11:30PM and 9:00AM.

*What if I forget my ID?*

- 1) First time: The resident will be identified by staff and this event will be recorded on the residential record. A warning email will be sent to the resident.
- 2) Second & third times: The resident will incur a EUR 10 fine. The incident(s) will be recorded on the residential record. The resident will be notified of each occurrence.
- 3) All subsequent times: The resident will incur a EUR 25 fine. The incident(s) will be recorded on the residential record. The resident will be notified of each occurrence.

### **CHECK-IN PROCEDURES**

Check-in takes place either at the Hilton Rome Airport or directly at the Gianicolo Residence for all JCU Housing residents on posted move-in dates that are published on the University's website. Any exceptions to these move-in dates must be approved in writing by the Director of Housing and Residential Life.

### *Housing Inventory Form*

The Housing Inventory Forms must be completed by each resident within 48 hours of arrival. These forms protect each resident of the apartment and serve to record the physical condition of the apartment. Residents are encouraged to fill out the form with as much detail as possible, including pictures (which can be sent electronically to [housing@johncabot.edu](mailto:housing@johncabot.edu)), and drawings, as necessary. The RAs are available and happy to provide further clarification of this process upon request.

### **CHECK-OUT AND MOVE-OUT PROCEDURES**

Check-out dates and times are posted on the University website and are included in the Housing Request Form. Residents will receive instructions in writing at least seven days before the final check-out date. In order to check-out of JCU Housing, residents must take the following steps:

- Sign the check-out form at the Service Desk;
- Have keys and key codes verified by the Service Desk staff;
- Specific instructions for the handling of your linens and bedding will be provided during check-out;
- Leave keys with Service Desk staff or with the guard (after hours);
- Discuss departure times with roommates to collectively agree upon how the responsibilities outlined in the Apartment Condition section of the Check-Out Procedures documents will be organized.

### *Failure to Check-out*

Failure to come sign the check-out document at the Service Desk during the indicated times may result in the following:

- EUR 50 fine for not complying with check-out procedures and will automatically forfeit your rights to a check-out inspection.
- Further charges will be incurred if the keys are not retrieved (see the section on “Keys” below).

### *Keys*

The keys used in JCU Housing are designed for your safety and therefore costly to replace because it involves changing the locks and issuing new keys to all roommates. If a resident’s keys are not returned, that resident’s Student Account will be charged. Specifically:

- EUR 300 fine if the keys are not found or not returned to the Housing Office by the move-out deadline.
- EUR 300 fine if the keys are returned without a key tag, making them unidentifiable.

### *Apartment Condition*

The apartment must be left in the same condition as it was found upon move-in:

- All garbage must be taken out of the apartment. There is a fee of EUR 50 per occupant per bag of garbage left in the apartment for disposal. Additionally, trash cannot be left in the hallway, balcony, foyers, etc. It must be removed from the apartment and taken to the trash bins.
- Wash all dishes and store in the cabinets. Do not stow dirty dishes (EUR 50 fee).
- Dispose of all food in the cabinets and refrigerator. There is a fee of EUR 50 if the cabinets or refrigerator are not emptied and cleaned.
- Posters will be placed throughout the Residence with information about donating food and/or clothing.

### *Linens*

- The same number of linens and the comforter assigned at move-in must be present after move-out.
- Specific instructions for the handling of your linens and bedding will be provided during check-out.

### *Damages*

Damages are assessed after move-out, using the following procedure:

- The RAs will conduct a pre-inspection during the week before move-out. During this process, RAs will identify any major damages found in the apartment, allowing all residents to clarify responsibility and charges with the Housing Office.
- If damages are discovered (that were not originally disclosed on the Housing Inventory Form) or the apartment requires excess cleaning, the cost of necessary repairs or excess cleaning will be split equally among all residents of the apartment unless one resident claims full responsibility, as per the Housing Contract.
- If a Student Account is charged, the resident must pay all fines before John Cabot University will release his or her academic transcripts.

### **CLEANING PROCEDURE AND STAFF – GIANICOLO RESIDENCE ONLY**

Each apartment will be cleaned on a regular basis by the Gianicolo Residence cleaning staff. The frequency of cleaning will be approximately every 10-14 days and will include common spaces (living room, kitchen and bathroom.) Residents are responsible to keep common spaces neat and surfaces free to be cleaned by the staff. The cleaning staff will not wash dishes, move or fold laundry, remove trash and recycling from the apartment, or clean around an unreasonable state of clutter. The cleaning staff is instructed to report to the Housing Office any apartment that is consistently not kept to a reasonable standard of cleanliness; these reports could result in a fine. Failure to provide entry to the cleaning staff could also result in a fine.

Residents who are concerned with the conduct of the cleaning staff are asked to report these comments in writing to the Housing Office ([housing@johncabot.edu](mailto:housing@johncabot.edu)).

## **DIRECT SWAP**

All residents have the option to arrange a direct swap. A direct swap is a room change where two interested parties come forward and propose an equal exchange of their space in an apartment. Direct swaps can be arranged after the second week of class by coming to the Housing Office.

Rooms can be swapped within an apartment at any time during the semester, as long as all residents of the apartment are in agreement and all name cards are swapped to the proper card holders to reflect the change.

## **HEATING AND AIR CONDITIONING**

Heating is provided by a centralized furnace and is operated by the building's Superintendent on hours established by law. By city ordinances, heating systems are turned on between November 15 and March 15 every year. The heater generally runs from 6-9 am and then again in the evening from 6-10 pm. This means that the hours in between are what we call "Roman room temperature", which is slightly warmer than the outside temperature.

In the Gianicolo Residence, the air conditioning is turned on around June 15 and turned off around September 15. Residents can turn each unit on or off and change the temperature within a set range. Air conditioning is controlled in each room by remote. Remote controls are attached to their wall-mounts with a chain. A service charge of EUR 100 will be applied if the remote is lost and/or disconnected from the chain. If vandalism is suspected, the Housing Office reserves the right to impose a fine exceeding EUR 100.

## **INTERSESSION PROPERTY STORAGE**

The Gianicolo Residence only offers storage facilities during the intersession (i.e., between Fall and Spring semesters) to residents staying in the Residence for the next session. These special cases should be arranged before the move-out date with the Director of Housing and Residential Life.

In the case that a student has signed up and paid for the next session's housing in an apartment other than their current residence and has been approved by the Director of Housing and Residential Life to store his or her belongings in the new apartment, those belongings must be moved and stored by 12:00PM on the move-out day. The resident will have to surrender his/her keys and will have no access to his/her belongings during the intersession break. The University accepts no responsibility for theft or damage to articles left in storage during intersession breaks.

Unauthorized personal items that are left in apartments or common spaces for more than 48 hours will be disposed of at the expense of the responsible resident. For more information, please see FURNITURE under the Alphabetical Listing of Important Policies and Procedures.

## **KEYS**

Each resident is assigned a uniquely coded set of keys with a key tag. The tag must stay attached to the set of keys at all times.

### *Missing Key Tag*

In the case of a missing or broken key tag, residents are responsible for immediately reporting the missing/broken tag to the Housing Office Service Desk. Replacement key tags incur a EUR 50 service charge.

### *Lost or Damaged Keys*

Lost keys will result in a lock change service charge of up to EUR 300.

### *Loaner Keys*

The Service Desk keeps one set of loaner keys for each apartment, which may be checked out in the case that a resident has locked him or herself out of the apartment. Residents must leave their University ID at the Service Desk in order to sign out the loaner keys. Loaner keys must be returned within 24 hours of their issue or at the next opening of the Service Desk so that your roommates will have access to this same service. A charge of EUR 50 per day will be applied for their late return.

### *Afterhours Lockouts*

An additional EUR 25 per resident service charge will be applied for any resident that requires the use of loaner keys between the hours of 11:00PM and 9:00AM.

### *Lost Keys and ID*

See BUILDING ENTRY AND EXIT (IDENTIFICATION), page [10](#).

## **MAIL**

Every student is assigned a mailbox at the Guarini Campus where letters may be received. Unfortunately, for security purposes, the University is not able to accept any packages mailed to any University address.

Should you wish to send and receive packages, we suggest using a shipping company such as Futura Forwarders ([www.futuraforwarders.it](http://www.futuraforwarders.it).) Delivery arrangements should be made directly with the company.

## **NETWORK CONNECTIONS**

Internet access in JCU Housing is not guaranteed. For residents in JCU Housing outside the Gianicolo Residence, information on internet connectivity will be available in the apartment. In the Gianicolo Residence, wireless internet can be accessed using the information residents should have received in a communication from the Information Technology Department before their arrival to Rome. It is the same as the information for the campus wireless network, as well as general instructions and rules for campus internet usage. Any Gianicolo Residence resident who has a connectivity issue should seek assistance from a Lab Assistant in the Chapel Lab at the Guarini Campus.

## **HOUSING OFFICE – SERVICE DESK**

The Service Desk acts as the main information point for residents of JCU Housing. The Service Desk provides the following services:

- Maintenance requests and follow-up
- General housing information, questions and concerns
- Registration for direct swaps
- Posting of cleaning schedule in the Gianicolo Residence

The Service Desk is open:

- Monday to Friday from 9:00AM to 11:30PM
- Saturday from 10:00AM to 11:30PM
- Sunday from 12:00PM to 11:30PM

While the Housing Office Service Desk is open to helping students resolve any and all concerns about their JCU Housing, it is not a hotel concierge. Students should reach out to the Student Services Office on the Tiber Campus or their Resident Assistant for information about local taxis, planning trips and other, non-residential issues.

## **MAINTENANCE**

Students receiving John Cabot Housing can expect all reported maintenance issues to be addressed in a timely manner. Students are responsible for reporting all maintenance issues shortly after they occur. Emergency maintenance issues should immediately be reported to either the Emergency Phone or to the on-call staff in the Housing Office. Non-emergency maintenance issues should be reported during normal office hours or on the next business day.

### *Reporting*

Students have the option of reporting maintenance issues either to the Housing Office in person, over the phone, or through email. A Maintenance Request Form (MRF) should be filled out for all issues. Students reporting the issue to the Housing Office in person should fill out their own form. If an issue has been reported to an RA, he or she will fill out a form on behalf of the student.

MRFs are always available in the Housing Office, even outside of normal operating hours.

### *Maintenance Personnel*

Students are not required to remain in their apartment when issues are handled by the maintenance staff but they will still receive advance warning of an appointment. Residents who have concerns about the performance of the maintenance staff are asked to report these comments in writing to the Housing Office ([housing@johncabot.edu](mailto:housing@johncabot.edu)).

### *Fines and Fees*

Routine maintenance is included with Housing. All damages caused intentionally or unintentionally, by failing to follow instructions, or by vandalism will result in the student being charged for the full cost of the damage and, if applicable, a fine or fee. A list of maintenance fines and fees can be obtained from the Maintenance personnel in the Housing Office. Additionally, more information can also be found in the Housing Contract.

## **QUIET STUDY AREA IN THE GIANCOLO RESIDENCE**

A 24/7 Quiet Study Area will be available on the ground floor for all Gianicolo Residence residents. This is a quiet space for study where talking, internet voice chatting of any form, group work, etc., are not permitted at any time. Due to the limited available space, a resident who is not using the space productively may be asked by other residents for his or her seat. The Quiet Study Area is a communal space. The furniture should

not be moved or relocated. When leaving the Quiet Study Area, please remember to collect all your personal belongings. Items should not be left unattended with the intention of "saving your spot".

The Housing Office reserves the right to monitor the Quiet Study Area. If an Office representative deems that a resident is distracting from the main purpose of the space, that student could be asked to leave the room. Additionally, residents who repeatedly abuse the Quiet Study Area could lose their privileges to use the space.

### **RECYCLING AND TRASH DISPOSAL**

The Trastevere neighborhood in Rome is a leader in recycling. As per municipal law, students living at the Gianicolo Residence are required to presort all of their trash and recycling. Trash and recycling must be left in the bins provided in the courtyard. The pick-up times for apartments outside the Residence and sorting requirements are posted in apartments near the provided recycling bins. These times are subject to change at any time.

Students who fail to presort their trash and recycling or who do not leave their trash and recycling in the appropriate bins are subject to fines. Additionally, students will be required to pay all fines applied by the municipal recycling agency, AMA. They will be reported by cleaning staff, RAs and Housing staff. A summary of fines can be found in the appendix.

Additionally it is prohibited to drop, throw or otherwise release any objects from apartment windows (this includes, but is not limited to garbage or trash). If more than one JCU apartment has windows, balconies or doors that open onto an area that becomes littered with such objects, all JCU apartments will be held jointly responsible. Such behavior is considered defenestration (see CONDUCT) and sanctions (monetary or community service) will be applied accordingly.

### **GIANICOLO RESIDENCE CLOSURE AND INTERSESSION**

The Gianicolo Residence does not close during academic sessions, even in cases of Italian or American national holidays.

The Residence will be closed during the intersession break between Fall and Spring, during which time residents will not have access to the building. Exceptions to this closure must be directly approved by the Director of Housing and Residential Life.

### **RESIDENT LOUNGE IN THE GIANICOLO RESIDENCE**

The Resident Lounge is used for Residential Life programming and located on the ground floor of Scala A. When not in use by the Housing Office staff for programming purposes, the Resident Lounge is open to students as a place to socialize, work on group projects, etc. Residents may study in the Resident Lounge, though they should remember that the Quiet Study Area may be a more appropriate study space. Standard residence conduct must always be observed when in the Resident Lounge; this room is also under video surveillance. Food and drink are permitted, though the Housing Office reserves the right to revoke this privilege if the space is not properly maintained. Please consult the signs posted on the door of the Resident Lounge for information on when the space is available.

### **ROOMMATE RELATIONSHIPS**

Healthy roommate relationships are based on trust, communication and mutual respect. In order to facilitate these relationships, the Housing Office requires all apartments complete a Resident Agreement

during the first meeting with the RA. The Resident Agreement should serve as a basis for conversation about the shared use of the apartment, and as an opportunity to establish ground rules and guidelines for a successful shared living experience.

#### **ROOM STANDARDS AND INSPECTIONS**

In order to protect the quality of life for both current and future residents, the Housing Office expects all residents to maintain their apartments in a clean and orderly manner throughout the session. To this end, the Housing Office reserves the right to conduct periodic announced sanitary inspections.

The Office also reserves the right to conduct unannounced visits and to rely on the cleaning staff to report the condition of apartments that are regularly found in an unacceptable state.

#### **RECEPTION AREA IN THE GIANCOLO RESIDENCE**

The reception area serves to provide a convenient option for residents to purchase beverages at any time of the day or night. Please keep in mind that the reception area is located near the Housing Office, the Quiet Study Area and an apartment; excessive noise cannot be tolerated.

Tampering with vending machines is prohibited. The University reserves the right to remove this service if it is abused.

## RESIDENTIAL CONDUCT, HOUSING POLICIES, PROCEDURES & SANCTIONS

The Housing Office works closely with the Student Conduct Coordinator to ensure the safety and well-being of the John Cabot University residential community.

Additionally, the Office may issue a Residential Warning or Residential Probation. Failure to abide by and/or follow through with any sanction issued may result in a referral to the Student Conduct Coordinator. The University's Dean of Academic Affairs does have the right to remove students from the Residence in the case of a serious Housing violation.

#### **RESIDENTIAL WARNING**

A resident will receive an official written statement, communicated by electronic mail, indicating the infraction that has taken place. Any additional violations of JCU Housing Policies and Procedures or the Student Code of Conduct may lead to more serious sanctions.

#### **RESIDENTIAL PROBATION**

Probation is a more severe sanction than a Residential Warning, and includes a definite period of observation and review during which time students are expected to uphold the University Code of Conduct and JCU Housing Policies and Procedures. Future violations will result in a referral to the Student Conduct Coordinator.

When the Housing Office deems that an infraction merits a sanction more serious than Residential Probation, the Office will refer the case to the Student Conduct Coordinator directly, who will consider the following sanctions:

- Imposition of fine
- A mandatory payment of a specific sum of money imposed as sanction for an offense

### **DEFERRED RESIDENTIAL SEPARATION**

A Deferred Residential Separation is a definite period of observation and review. If a student is again found guilty of violating JCU Housing Policies and Procedures, the Student Code of Conduct or an order of the Student Conduct Coordinator during the specified period, immediate separation from JCU Housing and termination of the Housing Contract will take place. A student whose JCU Housing Contract is terminated in this manner will be held responsible for the full cost of the residence hall space for the remainder of the academic session.

### **RESIDENTIAL SEPARATION**

The JCU Housing Contract can be terminated due to violations of the policies listed in the Student Code of Conduct, the JCU Housing Policies and Procedures or violating an order of the Student Conduct Coordinator. A student whose JCU Housing Contract is terminated in this manner will be held responsible for the full cost of the residence hall space for the remainder of the academic session.

*The Student Conduct Coordinator can also issue any other disciplinary sanction as detailed in the Student Code of Conduct.*

### **APPEAL PROCESS**

Residential Life Conduct sanctions can be appealed in writing to the Director of Housing and Residential Life, who can choose to modify the sanction or, after analysis of the case, take no further action.

## AN ALPHABETICAL LISTING OF IMPORTANT POLICIES AND PROCEDURES

### ALCOHOL

The Housing Office seeks to provide student housing that encourages a healthy and positive living experience in accordance with the University's mission. The consumption of alcoholic beverages should not interfere with the mission of the University or daily university life. Consumption of alcohol should be consistent with residence policies, the University Student Code of Conduct, and should also be respectful of the rights of those students who choose not to participate in the consumption of alcoholic beverages.

As stated in the John Cabot University Student Code of Conduct:

“Any student who is under the influence of alcohol and causes a disturbance in public or on University property, destroys or damages any property as the result of alcohol use, or is hospitalized as a result of alcohol is subject to fines, removal from JCU Housing, suspension, or dismissal from the University.”

Furthermore, the abuse of alcohol is defined as any use of alcohol that results in complaints from other residents, RAs, University staff, or neighbors; or that is accompanied by behavior that reflects negatively on the University. Alcohol abuse is subject to sanctions.

Drug paraphernalia or items that may be used for illegal drug use are strictly prohibited. The maximum capacity for each elevator in the Gianicolo Residence is four people.

The elevator for Scala B has two doors: an internal door and an external door. Residents must wait to hear the bell ring twice after the elevator comes to a complete stop before opening the internal door. Both doors must be closed for the elevator to be used. Please make sure the external door is securely shut when exiting the elevator. Failure to follow this procedure could result in the elevator door becoming blocked.

The furniture in each space has been carefully arranged by the Housing Office to promote community academic living. Furniture arrangements take into consideration the unique layout of each apartment, as well as the Office's long history of working with undergraduate resident students in Rome. It is prohibited to rearrange the furniture.

Residents are not permitted to use or access any of the Gianicolo Residence's ledges or terraces. Furthermore, climbing, hanging from or scaling any gates and exterior walls is not allowed. Visitors will be given a Visitor Identification Badge that they should wear at all times.

All visitors must check out with the Housing Office by 23:30 on the same day that they check in. At 23:30, the host-resident of any guest that is not checked out will be charged a EUR 100 late check-out fee. Those remaining IDs will be given to the evening security guard to be collected.
