

The JCU Institute for Entrepreneurship presents:

Roberto Ciaramaria

IT Specialist ItaliaCamp

**HIS LECTURE WILL FOCUS ON THE BEST PRACTICES FOR EFFECTIVE
POWERPOINT PRESENTATIONS**

Roberto is the Communication & Event manager for the ItaliaCamp Association. ItaliaCamp promotes and supports social innovation and the development of solutions to real problems. Their aim has been to meet as many of the country's most pressing but overlooked needs and to serve as an aid to economic stimulation. ItaliaCamp connects institutions, universities and businesses, thanks to their innovative model of confrontation and participation for the social community.

Roberto is specialized in events planning and management with a focus in web communication and new media. Previously, he was Responsible of all the Alumni Network of the University LUISS of Rome, gaining a significant experience in planning and organizing events and networking projects.
