

How to Register for a French Class

If you have already studied French and are planning to continue your study of the language, we strongly recommend that you take our online French Placement Test before coming to JCU in order to ensure that you register for the appropriate course.

The French Placement Test is divided into three parts corresponding to the three course levels available at JCU. Your previous knowledge of French will determine which parts of the exam you will need to take:

- Take Part A of the Placement Test if you have had 1 semester of French instruction.
- Take Parts A and B of the Placement Test if you have had 2 semesters of French instruction.
- Take Parts A, B and C of the Placement Test if you have had 3 semesters of French instruction.

If you have little or no previous exposure to French, register for Introductory French I (FR 101); there is no need to take the test.

If you want to take the French Placement Test:

1. Print these instructions so that you can refer to them later.
