

How to Register for an Italian Class

Students who have already taken Italian and plan to continue at John Cabot University should take the Italian Placement Test before registering for an Italian class. This test is available online year-round; for the most accurate placement recommendation, take it just before the semester you actually plan to study the language.

The Italian Placement Test is divided into four parts. Your previous knowledge of Italian will determine which parts of the exam you will need to take:

- Take Part A of the Placement Test if you have had 1 semester of Italian instruction.
- Take Parts A and B of the Placement Test if you have had 2 semesters of Italian instruction.
- Take Parts A, B and C of the Placement Test if you have had 3 semesters of Italian instruction.
- Take Parts A, B, C and D of the Placement Test if you have had 4 semesters of Italian and/or you are seeking to enroll in any 300 level of Italian.

If you have little or no previous exposure to Italian, register for Introductory Italian I (IT 101); there is no need to take the test.
