* Subjects listed as “pending placement” require students to sustain a level examination at JCU. Credits will **not** be transferred if the student places in the first level course of English Composition, Mathematics and/or Language Sequences (EN103, MA101, IT101, FR101 and SPAN101).

Note: Due to the wide range of courses offered by Cambridge International for AS and A-Level examinations, not all possible examination subjects have been listed on this conversion chart. Please note that the Registrar’s Office will take into consideration for transfer **all** examinations sustained by degree candidates.
