

GREEN AND SUSTAINABLE CAREERS

with European Institute of Innovation for Sustainability (EIS)

- one of the 1st institutes for sustainability in EU

EIS is an institute providing education and training for companies and individuals worldwide. Their main goal is to educate individuals and companies on the changes needed to achieve sustainable development.

THE WORKSHOP

Every job is a green job!

Green jobs and the increasing demand of such roles

Learn from a Pro!

Martina Cirulli, *Project Manager* at EIS, will share insights into her own green job and her educational path, and provide examples of industries she works with.

TIME

10:30 AM - 11:00 AM

LOCATION

Frohring Campus, F.1.3
