Students who travel on trips through John Cabot University’s Student Services Office should expect:

- To gain new cultural experiences and learn more about Italy’s lifestyle. This includes trying new foods and following the social etiquette of our country.
- To gain travel experience and build confidence to travel independently in the future.

The advantages of participating in a trip led by Student Services:

- Transportation, tour guides, dinners and accommodation are pre-arranged for participating students.
- A trip itinerary is provided to students at the mandatory student meeting prior to the trip. The meeting is held by the group leaders.
- John Cabot University Staff members will accompany students on each trip to serve as a resource for students and to assist in case of emergency. JCU group leaders are NOT professional tour guides but are extremely well travelled staff members with experience in leading groups. Group leaders are happy to assist students with obtaining any information they may need while travelling (as long as it is reasonably possible). Everything included in the participation fee of the trip is clearly stated on the University website and during the mandatory student meeting prior to the trip.

The activities described on the website are available to all John Cabot University students and can be booked online by visiting the Student Services website - click here.

You will receive confirmation of your booking via email. If you have questions, please contact the Student Services Office at + 39 (06) 68191 290 or studentservices@johncabot.edu
