

How to Register for a Spanish Class

Students who have already taken Spanish and plan to continue at John Cabot University should take the Spanish Placement Test before registering for a Spanish class. This test is available online year-round; for the most accurate placement recommendation, take it just before the semester you actually plan to study the language.

The Spanish Placement Test is divided into three parts. Your previous knowledge of Spanish will determine which parts of the exam you will need to take:

- Take Part A of the Placement Test if you have had 1 semester of Spanish instruction.
- Take Parts A and B of the Placement Test if you have had 2 semesters of Spanish instruction.
- Take Parts A, B and C of the Placement Test if you have had 3 semesters of Spanish instruction.

If you have little or no previous exposure to Spanish, register for Introductory Spanish I (SP 101); there is no need to take the test.

If you want to register for a Spanish class:
