

JOHN CABOT UNIVERSITY

There are Three Types of Direct Loans:

Federal Direct Loan Subsidized Stafford Loans

These are based on financial need. The government will pay the interest on the loan while the student is in school.

Federal Direct Unsubsidized Stafford Loans

Students get Federal Direct Unsubsidized Stafford Loans regardless of need, but will have to pay all interest charges.

Federal Direct PLUS Loans (Parent Loans for Undergraduate Students)

Parents of dependent students can borrow a Federal Direct PLUS Loan to help pay for their child's education.

Application Procedures:

The student loan application process consists of four steps:

Step 1: Locate or apply for your Federal PIN (sent to you by the U.S. Department of Education)

Step 2: Complete your online loan entrance counseling (required for first time borrowers)

Step 3: Complete your electronic Master Promissory Note (if not already signed)

Step 4: Complete your Request for a Federal Direct Student Loan form.

Step 5: Return your Federal Loan Application Package to JCU.

Step 1: Locate or Apply for your Federal PIN

You should have received a Federal PIN from the U.S. Department of Education shortly after the first time that you completed a Free Application for Federal Student Aid (FAFSA). The PIN serves as your electronic signature and holds the same legal status as your written signature. You should keep your PIN in a safe place and do not share it with anyone.

If you do not have a PIN, go to <http://www.pin.ed.gov> and choose either 'Apply for a PIN', if you have never had one, or 'Request a Duplicate PIN', if you had one but do not know it. You will need to submit your name, social security number, date of birth, and email or mailing address. A PIN will be generated and sent to you. You will have the option of receiving your PIN either through your email account (2-3 days) or your PIN can be mailed to you (7-10 days) via traditional post.

Step 2: Complete an Entrance Interview

Returning Students who have already received one Federal Direct Loan through JCU need **not** complete the entrance counseling. This applies to students who have already completed entrance counseling through JCU the previous year.

First Time Loan Borrowers and persons who have borrowed more than 10 years ago must complete an Entrance Interview before your loan request will be processed. The interview may be completed by following the steps below and should take around 20 minutes to complete.

Complete the Entrance Interview on the web by doing the following:

- a. Sign on to www.direct.ed.gov
- b. Click students on the left
- c. Click applying
- d. Scroll down until you get to **Entrance Counseling** and then click 'complete this counseling online'. And then, 'Take the **Entrance Counseling Session**'. This online entrance counseling session will take about 20-30 minutes to complete.
- e. Read all the Loan information page by page.
- f. Take the 'Rights & Responsibilities' quiz (you must pass).

Step 3: Complete an online Master Promissory Note (MPN)

JOHN CABOT UNIVERSITY

You must also complete a **Direct Loan Master Promissory Note (MPN)**. This step **must** be done on the web at www.dlenote.ed.gov/. You will need your Federal PIN in order to sign your MPN online. (See step 1 for information on obtaining a PIN) Signing the MPN electronically will shorten the time frame needed to get your loan funds to you.

IMPORTANT: Before beginning your Electronic Master Promissory Note (MPN) Session:

- a. Have your Federal PIN ready. If you misplaced your PIN, see the instructions on how to obtain a new PIN.
- b. Be ready to provide two references (name, address, and telephone number). These should be people who have known you for a least one year (preferably relatives) who live at different addresses.
