Federica Beni

HR Recruitment, L&D and Quality Manager at Europcar Mobility Group Italy

"Europcar Mobility Group Italy has developed an effective collaboration with John Cabot University over the past few years. Indeed, JCU provides us with valid interns, who demonstrate to embed characteristics in line with the needs of our Company: curiosity, open-minded approach and desire to learn, combined with young age and a proficient English knowledge. These are valuable skills and we are glad to offer our interns the opportunity to put their studies into practice experiencing the rent a car business."
