

October 2, 2020 Lazio Government Ordinance: Masks Must Be Worn When Outside

Today, Lazio Municipal Authorities issued a decree that all persons outside must wear a mask at all times: <http://www.regioni.it/newsletter/n-3920/del-02-10-2020/lazio-ordinanza-per-obbligo-mascherina-allaperto-21725/>. The mask ordinance is not applicable 1) for children under the age of six, and 2) when engaging in physical exercise as long as social distancing can be maintained. Lack of compliance with the mask ordinance could result in a €400 fine or other penalties issued by the Italian State.

Those who have questions about prolonged mask wearing should speak to their *medico di base* (family doctor). JCU students can contact the JCU Doctor On Call, Dr. Guerriero, at +39 320 406 5709, for additional clarification.

We would like to take this opportunity to remind you of the Guidebook app for this semester. On this app you can stay up to date with JCU events and activities and also receive useful notifications and reminders. Download it at <https://guidebook.com/g/jcufall2020/> the passphrase is **gladiator2020**.

Kind Regards,
