Classes that receive an award for the **Italy Reads Student Video Contest** will receive the cash award as reimbursement of receipts after the awarded amount has been spent. At the Award Ceremony, your class receives a Certificate of Award and a letter that outlines what you need to do.

Here's what you need to do:

1. Decide, as a group of those students involved in producing the video, how you would like to spend the awarded amount;
2. Spend that amount and save the receipts;
3. Write a 250-500 word summary of your experience with the Italy Reads program and how you enjoyed the award;
4. Contact italyreads@johncabot.edu to make an appointment to come to JCU to bring the receipts and receive the awarded amount.

Awards must be claimed before 15 June.
