## MISSION STATEMENT

John Cabot University (JCU) is an American institution of higher education in Rome, Italy. The mission of the University is to provide an educational experience firmly rooted in the American tradition of the liberal arts within a dynamic international community. The academic programs are designed to take the best advantage of the rich diversity reflected in the student body, faculty, and staff, as well as the extraordinary history of Rome and Italy. An experience at JCU is an opportunity to engage academically with a global vision of mutual dialogue, discovery, and innovation.

## EXPECTATIONS FOR BEHAVIOR

JCU values human connection. We recognize that individual action impacts the surrounding community. This Student Handbook and the JCU Code of Conduct are a shared set of principles that reflect our commitment to mutual respect and the creation of a safe and healthy educational and living environment. To that end, all members of the JCU community are expected to respect the standards for behavior set forth in this handbook. Any instance of misconduct should be reported immediately to [communitystandards@johncabot.edu](mailto:communitystandards@johncabot.edu). The JCU conduct process is further outlined in this handbook.

## JCU STUDENT RIGHTS

JCU students have the following rights:

1. **The Right to Freedom of Expression:** Students can freely examine and exchange diverse ideas in an orderly manner inside and outside the classroom.
2. **The Right to Privacy:** Students have the right to be free of unreasonable intrusions into personal records or disclosures of sensitive personal information. Information or documentation referring to a student's academic record or personal life will be released to third parties in accordance with the relevant privacy norms. Students have the right to inspect and review their official records, except for letters of recommendation when the

right has been waived by the student. Students may not be recorded or photographed without their consent<sup>1</sup>.

3. The Right to Free Intellectual Inquiry: Students can expect academic and administrative policies that support free intellectual inquiry, learning, and growth.
4. The Right to a Safe Environment: Students have the right to perform their regular university activities without unreasonable concerns for their personal safety.
5. The Right to an Environment Free from Harassment: Students have the right to freedom from harassment on the basis of such characteristics as race, religion, gender, age, disability, economic status, ethnicity, national origin, sexual orientation, gender identity, or gender expression, which creates an intimidating, hostile or humiliating educational or working environment.
6. The Right to a Fair Hearing and Appeal Process: Students have the right to a fair process which includes:
  - a. the right to be informed of any allegations of misconduct;
  - b. adequate time to prepare a response;
  - c. the right to access the evidence underlying the allegations;
  - d. the right to present evidence of their own.

---

<sup>1</sup> FERPA and Privacy While JCU may not release directory information contained in a student's education records, on the basis of Italian legislative decree n. 196 dated 30 June 2003, threat to life takes precedence over the University's obligation to protect its students' privacy. In situations where a student's life is at risk, the University reserves the right to notify the emergency contact on record.

# ACADEMIC POLICIES

## ACADEMIC ADVISING

All students are assigned an academic advisor, who is a faculty member teaching within their major or a related discipline. Students confer with their advisors on a regular basis to plan their course schedules and discuss their academic and career plans. Students are still always expected to know their graduation requirements, and to make appropriate course selections to best attain their educational goals.

## ACADEMIC DISPUTES

Students should first try to resolve academic disputes directly with their instructor by asking for an explanation of the motivation for the disputed grade. Students who are not able to resolve academic disputes directly with their instructor may appeal, in turn, to the relevant Department Chair, the Dean of Academics, and the Academic Council, to examine the issue and make a final disposition of the matter.

Academic disputes are reviewed to assess whether the instructor's grade determination conflicted with law, University or department policy, or the instructor's own policies, as stated in the syllabus. The University privileges the instructor's academic freedom, which includes the freedom to assign grades. Academic disputes may be resolved in the student's favor if the instructor's determination was manifestly unreasonable, and the underlying discrepancy resulted in the student getting a lower grade than they effectively deserved. Such review may also reveal that the student's initial grade determination was too high, and students pursuing an academic complaint do run the risk that their grade may be lowered.

### *Procedure for Disputing a Grade Determination*

1. The student must first ask the instructor to reconsider the grade, within a month of the learning of it or the end of the semester, whichever is earlier. To do this, they should email the instructor, with the Department Chair and Associate Dean of Academic Affairs in cc, setting forth their concern, and asking for their grade breakdown for the course, if relevant.
2. If the instructor is not able to resolve the dispute to the student's satisfaction, the student may appeal in writing to the Department Chair with the Associate Dean in cc. The student should provide the Department Chair with all documentation necessary to review the contested grade (e.g. course syllabus; the original, graded papers; tests; copies of presentations). Following receipt of a properly documented appeal, the Chair will work with both the student and the instructor to try to resolve the dispute. If the instructor

concerned is also the Chair, the student should appeal directly to the Dean of Academic Affairs.

3. If the complaint is still not resolved to the student's satisfaction, the student may appeal in writing to the Dean of Academic Affairs. The Dean will notify the instructor (cc'ing the Chair), and the instructor will be expected to respond to the student and the Dean within a reasonable time, attaching any additional relevant documents. The Dean will then consider the positions of both the student and the instructor and make a final determination. If the instructor concerned is also the Dean, the student should appeal to the Department Chair and then to the Academic Council.
4. The Dean's decision may be appealed, by either the student or the instructor, to the Academic Council.

Academic disputes will be processed as expeditiously as possible.

### ACADEMIC INTEGRITY

The academic community is founded on a belief in the free exchange of ideas. An integral part of this free exchange is recognition of the intellectual work of others, and respect for the instructor and fellow students. All members of the John Cabot community are expected to maintain the highest standards of academic integrity in all aspects of the University's academic programs.

**A student who commits an act of academic dishonesty is subject to disciplinary action. Two reported acts of academic dishonesty could result in dismissal from the University.**

#### *Definition*

Academic dishonesty is taking credit for academic work (including papers, reports, quizzes, examinations, etc.) that is not one's own or has not been originally produced for the course in which it has been submitted.

Academic dishonesty can take many forms:

- Knowingly **assisting another student** in submitting work not their own.
- **Plagiarism**, which includes direct copying, as well as any use of another's ideas, words or created product, without properly crediting the source. Plagiarism can be deliberate or accidental; students are responsible for ensuring that any work submitted with their name on it is properly referenced.

Although individual instructors may suggest their own guidelines for avoiding plagiarism in papers and reports, the following rules should generally be observed:

- a. Any *sequence of words* appearing in a student essay or report that does not originate from the student should be enclosed in quotation marks, and its source fully and accurately identified in a note or in the text. Great care must be taken that quoted material is quoted accurately.

- b. A *paraphrase* should not be enclosed in quotation marks but should be marked using a proper bibliographic reference.
  - c. An *interpretation or idea* based on a book or other source of information should be identified via a bibliographic reference.
- The **unauthorized use of generative AI**.
- **Cheating**, which includes giving or receiving assistance on a quiz, examination, or other assignments in any way not specifically authorized by the instructor. Cheating also includes the unauthorized possession or use of generative AI, calculators, notes, formulas, dictionaries, tables, graphs, charts, or other memory aids on a quiz or examination. Students are responsible for making sure that all unauthorized materials are completely put away, and may be sanctioned for mere negligence in appearing to possess unauthorized materials.
- **Submitting the same work** in more than one course, without the explicit approval of both instructors. This includes courses with the same code (like different sections of EN 110), so that a student who is retaking a course may not submit the same work in a subsequent semester without the permission of the instructor.
- **Paying a third party** to prepare work that is submitted for academic credit in a student's name.

### *Penalties*

A student who commits an act of academic dishonesty will generally receive a reduced, if not failing, grade on the work in which the dishonesty occurred. Severe acts of academic dishonesty may result in the student also receiving a failing grade in the course.

Instructors must report material instances of academic dishonesty to the Dean of Academic Affairs.

A student who is reported twice for material acts of plagiarism, cheating, or double-submissions is subject to dismissal from the University. Students found to have paid third parties for their work may be subject to immediate dismissal on the basis of that act alone. In these cases, the Dean will ask the Academic Council to make a recommendation to the President, who will make the final decision.

### *Appeals*

A student may appeal an instructor's determination of academic dishonesty by submitting a written statement to the Dean of Academic Affairs, setting forth the relevant facts and interpretations. The statement must be received by the Dean within seven working days of when the student is informed of the instructor's determination of academic dishonesty. The instructor will be given a copy of the student's statement, and the chance to respond to it.

The Dean will review the various submissions and may grant the appeal if the instructor's determination appears unreasonable. If an appeal to the Dean is not resolved to the student's satisfaction, they may ask the Dean to refer the matter to the Academic Council. When an appeal is resolved in the student's favor, the Dean will delete the report of academic dishonesty, and direct the instructor to grade the disputed material on its merits.

### **ACADEMIC PROBATION AND DISMISSAL**

A student whose cumulative grade point average at the University falls below 2.00 will be placed on academic probation. Students placed on academic probation then have two regular semesters to remove themselves from probation (or just one semester, in the case of conditional admits). If they fail to do so, they will be dismissed from the University. Students who are dismissed can appeal the dismissal. Their appeal will be evaluated by the Academic Council and Admissions Committee. Students on academic probation are not eligible to hold office in student organizations, nor to represent the University in any official capacity.

### **ATTENDANCE POLICY AND ABSENCES**

Specific requirements for attendance in any given course, except as described below, are the prerogative of the instructor and will be stated in the course syllabus provided by the instructor at the beginning of the term. Students are responsible for being informed of their instructors' attendance policies. A student's absence from a given class may be excused **by the instructor** in accordance with the policy indicated in the syllabus for the class and otherwise at the instructor's discretion.

Students who experience a serious difficulty preventing their attendance at a particular class meeting may ask the **Academic Dean's Office** for an exemption to their instructor's attendance policy, if they have exhausted the number of allowed absences. Such exemption may be granted for documented reasons, such as the following:

- the student's own illness or hospitalization;
- the student's physical inability to reach the University campus;
- death in a student's immediate family (when the student attends the funeral);
- impending death or life-threatening illness or injury in the student's immediate family, when the student is absent in order to be present with the ill or injured person;
- the pursuit of high-level activities in such areas as champion-level competitions or professional artistic pursuits;
- the observance of a religious holiday; or
- required military service on the part of the student.

The Academic Dean's Office will not override instructors' policies for absences incurred for such things as job interviews, work commitments, family celebrations, travel difficulties, student

misunderstandings of instructor or University policies, or other matters involving the personal convenience of a student. Students participating in JCU activities that cause them to be absent (such as sports or MUN) should plan on spending their allowed absences on those days, and not incur additional absences beyond those allowed by their instructor.

In order to request an exemption from their instructor's attendance policies, the student must submit the [Excused Absences Request Form](#) along with the appropriate documentation supporting the request. Apart from the substantive merits of the request, the Academic Dean's Office also requires appropriate documentation, and requires that the request be made within five academic days after a student returns to campus following an absence.

When the Academic Dean's Office grants an exemption to an instructor's attendance policy, it will notify the faculty member. Students whose absences have been excused in this way are in no way exempted from meeting the learning objectives of the course as set by the instructor. Students are always advised to communicate with their instructors regarding the impact of their absences on their academic circumstances. An instructor may advise a student to withdraw from a class if absences seem likely to prevent the student from successfully completing the course. If the deadline to withdraw has already passed, students should contact the Academic Dean's Office for advising.

An instructor will provide a student whose absence from a class has been excused by the Academic Dean's Office with

- a. an appropriate opportunity to make up for the credit lost because the student could not complete an in-class, credit-bearing exercise scheduled for the day of the absence;
- b. an appropriate opportunity to submit credit-bearing homework the student was unable to submit because of the same serious difficulty preventing the student's attendance. (It will ordinarily be assumed that a student can submit a homework exercise remotely. It is the responsibility of the student to make the case that completing and submitting an exercise was not realistically possible under the circumstances.)

**Absences from major examinations** require an Academic Dean's Office excuse. Students requesting such an excuse must submit the [Excused Absences Request Form](#) as soon as possible, and no later than the beginning of the exam. Once a request is accepted, it will be the instructor's prerogative to have the student take a make-up exam, submit a make-up assignment, or have the weight of the missed exam shifted to another assessment. Note that as with absences from classes, absences or rescheduling requests due to other meaningful conflicts, such as job interviews, work commitments, family celebrations, travel difficulties, student misunderstandings or personal convenience, will not be excused.

## AUDITING COURSES

It is possible for students to audit courses if space is available. If the tuition costs of taking the course(s) for credit would be covered by the general tuition payment for 12-17 credits, the course(s) may be audited for no additional fee. In all other cases, including Summer sessions, there is an auditing fee of €900 or \$1150 per course. Students must notify the Registrar's Office by email that they wish to audit a course by the end of the drop/add period.

## CLASSIFICATION OF STUDENTS

Students are classified at the end of each semester according to the number of credit hours they have completed, including advanced standing credits and transfer credits, as follows:

0-29	Freshman
30-59	Sophomore
60-89	Junior
90 or more	Senior

## CLASSROOM ETIQUETTE

Effective teaching and learning require a classroom ethos of mutual respect. Instructors have a duty to maintain basic decorum in the classroom, and to discipline disruptive students who interfere with teaching and with other students' learning.

The following rules of basic etiquette are expected of students in the classroom:

- a. Come to class on time.
- b. Stay in class for the full class meeting, in the absence of an emergency or prior permission.
- c. Listen actively while others are talking and do not interrupt.
- d. Clean up after yourself.

Instructors may generally restrict the use of laptops and cellphones in class. When allowed, students are expected to avoid inappropriate use of them for non-class purposes.

## COURSE LOAD

The normal course load at the University is 15 credits per semester, and 30 credits per year. The minimum full-time course load is 12 credits per regular semester. Students with strong academic credentials may petition the Dean for permission to take more than 15 credits in one semester. A maximum of six credits may be taken during each summer session.

## CREDITS

Credits are expressed in semester hours. Most courses at John Cabot carry three semester-hours of credit and meet twice a week for 75-minute sessions.

## DEAN'S LIST

Undergraduate students who achieve a 3.50-grade point average in a semester earned in a program of not fewer than 13 completed semester hours are placed at the end of the semester on the Dean's List, an academic honor indicated on their transcripts.

## DECLARING A MAJOR

Undergraduate students must declare their major by the time that they have completed 45 credit hours. Transfer students who bring 45 or more hours of transfer credit must declare their major upon entry. Once declared, majors can be changed by notifying the Registrar's Office. Students considering a change of major should meet with their advisor to discuss the implications of such change.

Minors may be declared as late as the penultimate semester, in which the student petitions for graduation to the Registrar's Office, which then completes a degree audit to determine the outstanding graduation requirements.

Majors and/or minors can be declared and changed, if necessary, by using [the dedicated form](#).

## DISABILITY ACCOMMODATIONS

Students seeking disability accommodations should identify themselves at the time they pay their tuition deposit or housing placement fee, and must submit [an online form](#), including recent (no older than four years) and detailed medical or psychological documentation of the disability for which they are seeking accommodation. To ensure adequate time for processing, requests for academic accommodations in a given semester must be submitted no later than the dates below:

Fall	<b>July 1<sup>st</sup></b>
Spring	<b>November 15<sup>th</sup></b>
Summer I	<b>May 15<sup>th</sup></b>
Summer II	<b>May 30<sup>th</sup></b>

After a subsequent meeting with the Coordinator for Disability-Related Academic Accommodations, students will be notified by the Academic Dean's Office of any accommodations granted through an official JCU letter. Students are responsible for forwarding this letter to their instructors, signifying their acceptance of the accommodations.

In cases where reasonable accommodations cannot be made for a student with a learning or other disability, the University will refund the application fee, the tuition deposit, and the housing placement fee.

John Cabot University cannot provide individual learning or other disability accommodations to students who do not follow these policies.

For more information, contact the Coordinator for Disability Accommodations, Dr. Carmen Franzese, at [disabilityaccommodations@johncabot.edu](mailto:disabilityaccommodations@johncabot.edu).

### **DOUBLE DEGREES**

Undergraduate students who want to receive two degrees from John Cabot University must complete the requirements for both degrees and complete a total of 150 credits.

### **DOUBLE MAJORS**

Undergraduate students may complete the requirements for more than one major at the same time, as long as the requirements of the individual majors are satisfied. Students may, therefore, simultaneously use a course to satisfy requirements in multiple majors. Students who complete multiple majors receive only one degree.

### **DROP/ADD**

During the Fall and Spring semesters, the Drop/Add period lasts until the Friday of the first week of classes. During Summer Sessions, Drop/Add takes place during the first three days of classes. The specific deadline for Drop/Add period is posted on the [Academic Calendar](#).

Courses may be added or dropped freely, subject to availability, during this period. Degree-seeking and Study Abroad students follow the online procedures. After the Drop/Add period, no courses may be added, and withdrawal penalties will apply (see Withdrawal from a Course). No refunds will be issued for courses dropped after the Drop/Add period. A student who for any reason does not wish to attend a course for which they registered must follow the usual Drop/Add or withdrawal procedures.

### **EXAMS: ABSENCES AND MAKEUPS**

Instructors may, at their discretion, allow students to make up missed quizzes or other, less important, graded work to students absent without an official excuse. Major examinations (midterms, finals) may only be re-administered, or otherwise excused or accommodated, with the permission of the Academic Dean's Office.

The standard for justifying an absence from a major examination is evidence of a **serious difficulty** preventing attendance. A **serious difficulty** includes a student's own illness, hospitalization, or death in the immediate family (when the student attends the funeral), or other situations of similar gravity. Missed exams owing to other meaningful conflicts, such as job

interviews, family celebrations, travel plans or difficulties, student misunderstandings, alarm clock failure, or personal convenience, will not normally be excused.

Students seeking an excuse for an absence from a major exam must notify their Instructor or the Academic Dean's Office prior to the exam, and submit the [Excused Absences Request Form](#), available on the Registrar's Office webpage.

## **FINAL EXAMS**

Students that have more than three exams in one day may request to take one of the three exams on the make-up day by completing and submitting the [Request for a Final Make-Up Exam Form](#). Students need to submit the form by the last day to withdraw from a class, which can be found on the [Academic Calendar](#). All make-up exams will be held on the same day and will be proctored by Assistant Dean Lanzone, who will contact students regarding their request.

Until the final exam schedule is posted, students should assume that they may have exams as late as the last exam period and not make other plans.

The University will not reschedule final exams to accommodate anything less than a serious difficulty preventing attendance.

## **FINANCIAL AID**

### *Financial Aid and Scholarships*

The JCU Financial Aid Office is committed to helping finance students' education. Financial aid at JCU exists in various forms, such as University-funded scholarships, U.S. government loans, and other resources.

### *University Funded Scholarships and Grants*

John Cabot University offers a limited number of University funded merit-based scholarships and need-based grants to incoming freshman and transfer students admitted to JCU.

External Scholarship Opportunity: Secchia Scholars Program. The Secchia Family Foundation's "Secchia Scholars" program grants partial tuition scholarships each year to qualifying students. Secchia scholarships are available for degree-seeking and study abroad.

Study Abroad Scholarships: To recognize the important role visiting students have in promoting JCU's mission, scholarships are available for visiting students who qualify.

### *US Federal Direct Loans*

Citizens and permanent residents of the United States who are enrolled as degree-seeking students at John Cabot University may be eligible to participate in the Direct Loan Program. Parents may borrow through the Direct Plus for Undergraduate Students loan program.

*Note:* Current United States government legislation prohibits U.S. citizens enrolled in colleges or universities outside the United States from receiving Pell Grants, SEOG, Perkins Loans, or Federal Work Study funds, even though they may be eligible for such assistance.

Satisfactory Academic Progress (SAP) Policy: To remain enrolled and receive Federal Direct Loans, a student must make satisfactory academic progress, as measured by cumulative grade point average and the ratio of credits earned vs. attempted (completion rate). Please see the complete policy in the Financial Aid and Scholarships section of the JCU website, under U.S. Federal Aid/Loans.

### *Private Loans*

Private loans are an additional way for students to finance their education at JCU. Private loans are not administered or backed by the federal government (unlike Direct Loans), so there may be no deferment or forbearance options for postponing payment. Typically, these loans are credit based, which means borrowers are required to pass a credit check. In some cases, a co-signer may be required.

Department of Veteran Affairs Benefits: All degree programs at John Cabot University have been approved by the United States Veterans Administration for educational training under the G.I. Bill. Qualifying veterans may contact the Financial Aid Office for further information.

Cost of Attendance: Please consult the JCU website under the Financial Aid/Scholarships section to review an anticipated budget for cost of attendance.

For further details on Scholarships and Financial Aid, please visit check the JCU website [www.johncabot.edu](http://www.johncabot.edu) or contact the Office of Financial Aid at [financialaid@johncabot.edu](mailto:financialaid@johncabot.edu).

## **GRADING POLICIES**

The following interpretations and numerical equivalents are associated with each letter grade.

### *Fail*

The grade F means failing work. A failed course must be repeated in order for the student to receive credit.

### *Incomplete*

The grade of INC (Incomplete) may be assigned only in cases where illnesses, hospitalization, death in the family, or other situations of similar gravity temporarily prevent completion of the required course work (“non-academic conditions”). Grades of INC will normally be granted only to students who have completed the majority of the course work with a grade of C- or better

("academic conditions"). Students who have difficulty completing their work can withdraw from the class up until the deadline with withdrawal indicated on the academic calendar.

The Academic Dean's Office determines whether the non-academic conditions for an INC have been met. Students interested in requesting an INC must contact Assistant Dean Annette Bryson as soon as they can. The professor determines whether the academic conditions – completion of a majority of the work at a C- or better – have been met. The professor can then submit the Request for Incomplete Grade form. Once the work has been graded, the professor submits a Change of Incomplete form to assign the final grade.

Students are informed of the work that they have to complete at the time that the INC grade is assigned. They should expect that professors may not be available to further guide them on their assignments after the semester grades have been submitted.

For Incompletes given at the end of the Spring term, the work must be completed by the last day of class of the following Fall semester. After that time, the grade will be administratively converted to an F. For Incompletes granted at the end of the Fall term, the work must be completed by the last day of class of the following Spring semester. After that time, the grade will be administratively converted to an F. For Incompletes given at the end of a Summer session, the work must be completed by the last day of class of the following Fall semester. After that time, the grade will be administratively converted to an F.

### *Withdrawal*

Students who withdraw by the withdrawal deadline (and after the Drop/Add period) will have a W recorded on their transcript. This does not affect their GPA.

For purposes of computing the GPA on a student's transcript, the following metric is used:

<b>Designation</b>	<b>Interpretation</b>	<b>Numerical Value</b>
A	Excellent	4.00
A-		3.67
B+		3.33
B	Good	3.00
B-		2.67
C+		2.33
C	Satisfactory	2.00
C-		1.67
D+		1.33

D	Poor but passing	1.00
D-		0.67
F	Failing	0.00
INC	Incomplete	
P	Passing (C or above)	
NP	Not passing (C or below)	
W	Official withdrawal	

The quality points for each course are calculated by multiplying the numerical value of the grade by the number of credit hours of the course. The total of the quality points earned is divided by the total number of credit hours earned. Thus, a student who has taken 30 hours of work and has earned B's (3.00) in all courses would have 90 quality points and would have a grade point average of 3.00.

In the case of repeated courses, the number of quality points and hours includes only the grade from the most recent course taken. Courses in which grades of INC, P, NP or W are assigned are not included in the quality point computation.

#### **GUIDELINES FOR WHAT GRADES MEAN AT JCU**

These guidelines are presented to provide students with a general idea regarding how letter grades are assigned at JCU. While each individual course may have different assessment criteria for each grade depending upon the material being taught, the general sense of academic expectations remains. Many instructors assign grades in their class based upon a 100-point (100 percent) conversion. An example of these standard numerical equivalents is given below.

<b>Grade</b>	<b>Description of Academic Work</b>
<b>A (90-100)</b>	Work of this quality directly addresses the question or problem raised and provides a coherent argument displaying an extensive knowledge of relevant information or content. This type of work demonstrates the ability to critically evaluate concepts and theory and has an element of novelty and originality. There is clear evidence of a significant amount of reading beyond that required for the course.
<b>B (80-89)</b>	This is a highly competent level of performance and directly addresses the question or problem raised. There is a demonstration of some ability to critically evaluate theory and concepts and relate them to practice. Discussions reflect the student's own arguments and are not simply a repetition of standard lecture and reference material. The work does not suffer from any major errors

or omissions and provides evidence of reading beyond the required assignments.

**C**  
**(70-79)**

This is an acceptable level of performance and provides answers that are clear but limited, reflecting the information offered in the lectures and reference readings. This level of performance demonstrates that the student lacks a coherent grasp of the material.

**D**  
**(60-69)**

Important information is omitted and irrelevant points included. In effect, the student has barely done enough to persuade the instructor that s/he should not fail.

**F**  
**(59 and below)** This work fails to show any knowledge or understanding of the issues raised in the question. Most of the material in the answer is irrelevant.

### **GRADUATION HONORS**

Graduation Honors are awarded to bachelor's degree recipients whose cumulative grade point average at the University represents superior academic achievement. Students may graduate summa cum laude with a grade point average of 3.90 or above, magna cum laude with a grade point average of 3.70 to 3.89, or cum laude with a grade point average of 3.50 to 3.69.

Gold Academic Honor Cords are awarded to graduates who have demonstrated outstanding academic achievement by earning the distinctions of cum laude, magna cum laude or summa cum laude. All academic requirements must be completed at the time of Graduation in order to be eligible for an academic cord. In the case of May Commencement, students who have outstanding classes pending in Summer and/or have INC grade(s) will not receive the academic cord during the Commencement ceremony but will receive it should they meet the CUM GPA requirements once all academic requirements are completed.

The Valedictorian is the bachelor's degree recipient with the highest cumulative grade point average among those who have completed at least 60 semester hours at the University and who are attending the Commencement exercises. The Valedictorian participates in the Commencement ceremony by giving the valedictory address. Students earning multiple degrees may not be Valedictorian more than once.

### **GRADUATION REQUIREMENTS**

Degrees are awarded to candidates who meet the following requirements:

### *The M.A. in Art History Degree*

1. Completion of 36-semester credits distributed over fifteen months of full-time study in three phases: a Foundation Year of research seminars and coursework; a Master's Exam, administered in June; and a Thesis Semester, with a Professional Experience component, MA Thesis, and MA Thesis Colloquium.
2. An overall minimum grade point average of 2.00 in all courses taken at the University, with no more than two grades lower than C- in core courses.

### *The M.A. in International Affairs Degree*

1. Completion of 36 credits distributed over three semesters of full-time study with the following components: Structured Foundation Courses, Graduate Seminars; Internship and Professional Development Courses; an MA thesis.
2. An overall minimum grade point average of 2.00 in all courses taken at the University, and with no more than two grades lower than C- in core courses required for the degree.

### *The B.A. Degree*

1. Completion of a minimum of 120 credits distributed according to the general requirements of the University and the requirements of the major. At least 60 credits, including the last 30, must be earned in residence at the University. Subject to the approval of the Dean of Academic Affairs, students who are studying abroad in their penultimate semester will normally be awarded a 15-credit exemption.
2. An overall minimum grade point average of 2.00 in all courses taken at the University with no more than two grades lower than C- in core courses required for the major.
3. Payment of all financial obligations to the University.

### *The A.A. Degree*

1. Completion of a minimum of 60 credits, distributed according to the general requirements of the University and the major requirements. The Associate of Arts Degree in *Liberal Arts* requires successful completion of 60 credits made up of a 39-credit Proficiency and General Education requirement and 21 credits of general electives. At least 30 credits, including the last 15, must be earned in residence at the University.
2. A minimum grade point average of 2.00 with no more than one grade lower than C- in core courses required for the major.
3. Payment of all financial obligations to the University. A B.A. degree may be completed after the granting of an A.A. degree once all of the additional B.A. degree requirements have been met, and on the condition that at least two additional semesters of coursework have been completed following the completion of the A.A. degree in question.

Candidates for graduation must satisfy the general University and major requirements in effect at the time of their entry to the University. Students who are absent from the University for a

period of one year or more may be required to resume under different graduation requirements upon their return. Students who require more than five years to complete their graduation requirements must meet the requirements in effect at the beginning of the fourth academic year prior to their graduation.

The commencement ceremony at the close of the Spring semester in May is the University's public celebration of the accomplishments of its students. Only students who have completed all graduation requirements, or who have completed all but six credits of their graduation requirements and will complete those six credits by the end of the following Summer sessions, will be allowed to participate in the ceremony. Students who complete graduation requirements at a time other than the end of a Spring semester or the following Summer sessions are encouraged to return to the University the following May to participate in the Commencement ceremony.

### **HONORS COURSES**

Undergraduate students with a minimum cumulative grade point average of 3.50 are eligible to register for Honors Courses, which are selected 3-credit courses that students may take for four academic credits instead. To earn this extra Honors credit, Honors students must complete additional assignments (e.g. research papers or portfolios) in which they delve more deeply into the subject matter in question.

Students taking courses for Honors credit enjoy additional mentoring time with their instructors who are chosen by the Dean of Academic Affairs in conjunction with the Department Chair, based on their expertise and teaching excellence.

### **INDEPENDENT STUDY/RESEARCH POLICY**

With the approval of the sponsoring professor, the Department Chair, and the Dean of Academic Affairs, students may register for independent study/research options (i.e. Independent Study 281 or 381 or Independent Research 481) that allow them to receive credit for academic work, supervised by a member of the faculty in a non-classroom setting. The Application for Independent Study or Independent Research Form must be submitted during the normal registration period. Students must have a minimum GPA of 2.50 and have earned a minimum of 60 credit hours (junior status) to apply for Independent Study or Independent Research credit.

Students may earn up to three credit hours when registered for Independent Study 281 or 381 or Independent Research 481. The number of credit hours depends on the nature and extent of the project(s). One credit will be awarded for each 37.5 hours of projected work over the course of the semester, on the basis of documentation of the amount of work a typical student is expected to complete within a specified amount of academically engaged time. Factors considered in the calculation of academic credit can include the number of subjects covered, the

depth of the examination, the scope of reading and writing assignments, and meetings with the faculty supervisor in furtherance of specific educational objectives.

Whether a project will be coded as Independent Study 281 or 381 or Independent Research 481 depends upon the level of the study to be undertaken, as determined by the sponsoring professor and the Dean of Academic Affairs.

Independent study/research may not be taken to satisfy core requirements in degree programs or other specifically designated requirements. Courses offered regularly in the curriculum cannot normally be taken as independent study.

Independent study courses must be completed within one semester.

### **LEAVE OF ABSENCE**

A leave of absence is a temporary leave from the University. Students may take a leave of absence for such reasons as independent study abroad, medical treatment, family crises, or financial issues. A leave of absence usually runs for one regular semester or academic year. Students may apply for a leave of absence [here](#). To extend a leave that has already been granted, contact the Registrar.

### **MATRICULATION POLICY**

Students who have obtained an INC in a thesis course, and who are not enrolled in any other courses during the completion of the incomplete thesis course, must maintain their matriculation at the University. To do this, they must pay a matriculation maintenance fee during the semester of completion of the thesis. Students maintaining matriculation in this manner will not be charged student activity fees. A student who fails to complete the thesis in this period would receive an F for the thesis course, and have to re-register for it, paying the regular tuition costs for that course.

### **PETITIONS**

All students must abide by the various academic and other policies of the University. Occasionally, however, an exemption from these policies may be justified. In such instances, a written petition seeking an exemption to one or more policies must be submitted by the student, with the recommendation of their Advisor, for consideration by the Dean of Academic Affairs and the Academic Council. [Forms and petitions](#) are available on the Registrar's Office webpage.

### **PLACEMENT EXAMINATIONS**

Entering degree-seeking students may be asked to take one or more placement examinations before registering to determine their proficiency in certain subject areas. There are placement examinations for English Composition, Italian, French, Spanish, and Mathematics. These

examinations are administered before the term begins or during the Orientation session at the beginning of each semester. Students who miss the English Composition and Math placement examinations, and do not have relevant transfer credit, will be automatically placed into the introductory-level course, no matter what their outside experience or other qualifications.

### **READMISSION**

Students who have been withdrawn from the University and seek to continue their studies at the University must apply for readmission. Applications for readmission must be submitted to the Admissions Office before the start of the term. The University catalog in effect at the time of readmission will apply to students who are readmitted to the University.

### **REGISTRATION**

The registration dates for each term are listed in the University calendar. During the registration period, degree-seeking students meet with their Academic Advisor in order to select their courses for the upcoming semester/Summer session. After the registration period, continuing students may register, but will be charged a late registration fee. No student will be allowed to register after the drop/add period.

It is the responsibility of the students to ensure that their course schedule corresponds to the classes that they are attending, including the correct section number.

### **REPEATED COURSES**

Courses in which a student received a final grade of C- or below may be repeated. No grade is removed from the transcript, but only the last grade received in a course is considered in computing a student's grade point average and credits earned. This pertains only to classes taken and repeated at JCU. If a class is repeated outside JCU, both the initial grade and the subsequent grade will appear on the transcript and will be considered in calculating a student's grade point average. This policy does not apply to certain skills-based courses with course descriptions that explicitly state that the course can be repeated.

### **TRANSCRIPTS**

Transcripts, both official and unofficial, are available to students, through the Registrar's Office.

Transcripts cannot be issued for anyone whose record has been blocked (for outstanding University obligations – tuition and fees, library hold, etc.). Transcript requests are processed within two business days. JCU is not financially responsible for transcripts lost in the mail.

## **TRANSFER CREDIT**

Upon initial entry or readmission to JCU, academic credit from nationally accredited institutions may normally be transferred for academic coursework where a grade of C or above (or national equivalent) was earned. The University generally requires an official course description or course syllabus before awarding transfer credit.

Students who are currently matriculated may transfer credit for courses taken at other institutions by submitting a [Course Away Form](#) to the Registrar before the courses are taken. Transfer credit will be granted for all passing grades earned, and all grades will be registered on JCU transcripts and factored into the JCU GPA. Students receiving U.S. government financial aid should check with the JCU Financial Aid Office before enrolling in courses at other institutions.

## **WITHDRAWAL FROM A COURSE**

A course officially dropped after the Drop/Add period but before the last day to withdraw from a course (see Academic Calendar) will be recorded on the transcript with a grade of W. A student may withdraw from a course by submitting a [Single Course Withdrawal Form](#). Students are financially responsible for courses for which they are registered after the Drop/Add period, even if they ultimately withdraw from them.

## **WITHDRAWAL FROM A SEMESTER**

Students who wish to withdraw from all of their classes in a particular semester for which they are registered should submit an official [Semester Withdrawal Form](#). In order to withdraw from the semester, a student must clear all debts with the University.

A grade of W will be recorded for all courses in progress at the time of withdrawal. A student who fails to follow the above procedure, and simply stops going to class, will receive a failing grade for courses not completed.

The deadline to Withdraw from a Semester is the last day of classes (see Academic Calendar).

## **WITHDRAWAL FROM THE UNIVERSITY**

Students who wish to withdraw from the University should first discuss their plans with their advisor or an Academic Dean, and then can submit an official [Withdrawal Form](#). In order to withdraw from the University, a student must clear all debts with the University.

A grade of W will be recorded for all courses in progress at the time of withdrawal. A student who fails to follow the above procedure, and simply stops going to class, may receive a failing grade for courses not completed.

**Students who fail to register for courses for two consecutive semesters will be automatically withdrawn from the University.**

Students who, at the end of their first semester, fail to demonstrate minimal academic progress (more than a 1.00 GPA) AND have not enrolled for the following semester or otherwise demonstrated an intention to continue their studies, will be administratively withdrawn from the University. In the case of students who have been granted a one-year Permit To Stay, the University will notify the Italian authorities that they are no longer JCU students.

## **ACADEMIC SUPPORT**

John Cabot provides faculty-staffed tutoring centers free of charge for all John Cabot students.

### *Writing Center*

The Writing Center offers free, one-hour consultations to all JCU students on: brainstorming, choosing a topic, developing research questions; formulating a thesis, building an argument, drafting, and revising; grammar, organization, clarity and style; evaluating and integrating source information; MLA/APA documentation and formatting; and writing statements of purpose/personal statements, cover letters and resumes/CVs.

The Writing Center does not proofread or correct papers. Instead, it promotes a collaborative effort between tutor and tutee that results in effective writing. The focus is on both the form and mechanics of writing, i.e. spelling, punctuation, and grammar, as well as on the more subtle yet equally important issues of usage, tone, and register. The parameters of academic honesty are also dealt with when appropriate, in order to recognize and clarify differences in cultural expectations.

Students may make appointments twice per week. Beyond that, students can attend appointments on a walk-in basis. Students can [book an appointment](#) online. Please arrive on time for the appointment. Students who arrive late may lose their appointment if another student arrives. Please come to the appointment well prepared. Bring assignment guidelines, drafts, and/or graded papers with professors' comments, and come with specific questions in mind.

### *Math Tutoring Center*

The Math Center provides academic support in quantitative subjects (such as mathematics, statistics, economics, and accounting) to all students enrolled at John Cabot University. Tutoring is available during the Fall and Spring semesters. The Center is supervised by a faculty member, Prof. Margaret Kneller, and supported by JCU peer tutors. Students may [schedule an appointment](#), up to one per week.

### *Foreign Language Resource Center*

The FLRC provides academic support in Italian, French and Spanish to all students enrolled in JCU Foreign Language courses at any level, in order to create an open atmosphere of learning for students who would like to improve their language skills – speaking, writing, reading, and listening comprehension.

FLRC tutors are all mother tongue or near-native speakers and are selected, trained, and supervised by the FLRC Coordinator. Students may [book an appointment online](#) (up to 24 hours in advance).

FLRC also offers Language Conversation Tables to enable students to practice and improve their oral proficiency. The Conversation Tables take place in the Tiber Cafè and are led by FLRC tutors. Check the bulletin board outside.

### **FROHRING LIBRARY**

The [Frohring Library](#), located in the Guarini Campus, provides numerous learning and research support services for students, faculty, staff, and the local community.

### *Circulation Policies*

Undergraduate students may borrow up to six books at a time. Books in the Main Collection can be checked out for two weeks; and books in the Reserves can be checked out for three hours, for use within the Library only.

Graduate students may borrow up to 15 books at a time.

The Library has a very limited collection of textbooks that can only be used in the Library. While all materials marked as reserve or required readings in the course syllabi are made available, the Library does not purchase textbooks; and students are responsible for obtaining their own copy of the textbooks assigned by professors.

The Library has a small supply of electronics and related equipment available for checkout by members of the community. This includes laptops, headphones, calculators, and chargers. Laptops can only be used for five hours within the Guarini campus, while other equipment may be kept for six hours. MacBook chargers can only be used for three hours at a time.

Students can book private study rooms for a maximum of two hours per day from the [Library section of the website](#) and collect the keys at the Welcome Desk.

Fines and Fees	
Overdue books	€0.50 per book per day
Overdue reserve books	€3.00 per book per hour
Overdue laptops and equipment	€3.00 for every overdue hour
Overnight laptops	€25.00 for every night out
Overdue equipment	€0.50 for every overdue hour
Overdue MacBook charger	€3.00 for every overdue hour
Overdue study room key	€0.50 for every overdue hour
Lost book replacement fee	When a book is lost, patrons will have to pay a replacement fee, in addition to a processing fee of €25.00. The maximum is more than €50.00.
<i>The total amount is always generated when the item is returned.</i>	

Library privileges may be suspended for students with outstanding fines or for those who have lost items; and a hold may be placed on the student's transcript and/or registration.

Students may review their [library account information online](#). Books on loan and fines will be displayed.

Students can request materials not available in the Frohring Library collections through [Interlibrary Loan and Document Delivery services \(ILL/DD\)](#).

All correspondence is sent to their JCU email address, including the overdue and fine notices. Failure to receive a notice does not absolve the borrower of their responsibility to return materials or to pay the overdue fine.

Students are responsible for all transactions charged with their JCU ID cards.

For complete details about Library circulation policies, please refer to the [Library section of the JCU website](#).

### *Reference Services*

Students can find Reference Librarians that will provide assistance with research assignments and with understanding how to use the resources, including the electronic resources available 24/7.

The Reference Librarians can be contacted via email at [referenceservices@johncabot.edu](mailto:referenceservices@johncabot.edu) or via chat on the Library website. Students can also schedule individual appointments with the Reference Librarians via the [online booking form](#).

### *Rules of Common Sense*

1. Silence your phone and be respectful of others.
2. Keep your voice down in the designated quiet study areas (Aurelian Wing and Upper Reading Room).
3. To reserve your spot in the Aurelian Wing or at one of the Library's computers, it is important to book your space using the Library's [booking system](#).
4. The main section of the Library is NOT a quiet study area, therefore low-level chatting and group study are allowed.
5. Always leave the desks as you find them (and as you would like to find them).
6. The Library staff is not responsible for items left unattended in the Library.
7. Food is not allowed. Drinks are permitted only in covered containers.
8. Should the security gate alarm sound as you exit the Library, return to the Welcome Desk to resolve the situation.
9. Smoking or vaping is not permitted anywhere in the Library, including the courtyard.

For full details, visit the [Library section](#) of the JCU website. Direct any questions to the Library Welcome Desk at [library@johncabot.edu](mailto:library@johncabot.edu).

### **COMPUTER LABS**

There are seven computer labs at John Cabot University, with a total of more than eighty computers. The Secchia Lab is located on the ground floor of the Kushlan Wing (across the Lemon Tree Courtyard). The Kushlan Lab is located on the second floor of the Kushlan Wing and can be accessed using the staircase from the Lemon Tree Courtyard. The Frohring computer lab is located on the second floor of the Frohring campus. The Garibaldi Lab is located in Via Garibaldi 88/c. The Frohring Library is also equipped with a multimedia lab. Refer to current Computer Lab hours.

### *Computer Lab Rules*

1. No food is allowed in the computer labs. Drinks are permitted only in covered containers.
2. Keep noise to a minimum; low level chatting is permitted.
3. It is strictly prohibited to share your user ID and password with other students or friends. Students found in violation risk suspension of their account for the rest of the semester.

4. Your computer will be offered to a waiting student should you remain absent from the station for more than five minutes.
5. Priority is given to students who are working on school-related projects.
6. Do not install or remove any software on computers in the computer labs. If there is software that you need installed, e.g. digital camera software, please ask IT to install it for you.
7. The IT Department is not responsible for files stored on the hard drive. Since computers in labs are cleaned up daily, we advise students to save files to their cloud.
8. Do not print transparencies.
9. Most items found in the computer labs will be placed in the Lost and Found box. Items of value, such as cell phones and keys, will be handed in to Lost and Found at the Front Office.

## **STUDENT ID CARDS**

The JCU ID card identifies students as members of the JCU community, entitling them to access the Guarini, Frohring, and Critelli campuses; the Library; the Fitness Center; University residences (if a resident or accompanied by a resident); Largo dei Fiorentini; and outside sports facilities or events.

For security purposes, students are required to carry their JCU ID card as their primary means of identification on University premises. Students may not enter any JCU facility without their JCU ID badge. Lost, stolen, or damaged ID cards should be reported immediately to any campus Front Office during normal business hours; and a replacement ID badge may then be requested. Students who forget their JCU ID badge must either return to campus with their JCU ID or pay for a replacement in the moment (form of photo identification required; replacement fee of €10.00 for the first re-printing and €25.00 for any subsequent re-printing).

ID badges may only be used by the rightful possessor. Impersonating fellow JCU community members, including, but not limited to, switching IDs with other JCU students, loaning IDs to external visitors, or scanning on behalf of someone else, is strictly forbidden.

JCU IDs will, by default, reflect a student's legal name. However, lived/preferred names may be used by filling out the [Name Form](#) to request a change. This change requires five business days to process.

Students who purchase JCU Meal Plans will have their ID cards credited with the purchased amount of meal plan points.

JCU Administration reserves the right to confiscate the ID cards of students with outstanding account balances.

Refer to 'Identification' for more information.

### **MAIL AND PACKAGE PICK-UP POLICIES**

The JCU Mail Office receives student mail and packages. It does not provide shipping or mailing services for sending items on behalf of students. Students are restricted to receiving mail and packages no larger than a shoebox. Any items exceeding this limit will be automatically returned to the sender, as will any mail or packages addressed to individuals other than registered JCU students. JCU will store packages for up to six months from the end of the semester and/or Summer session during which the package is received. After this time, the University will dispose of any uncollected mail or packages.

#### *Guidelines*

5. Package retrieval: to retrieve mail and packages each student must come in person, carrying a valid ID. A student can authorize another student to retrieve a package by notifying [frontoffice@johncabot.edu](mailto:frontoffice@johncabot.edu).

## NON-ACADEMIC POLICIES AND SERVICES

JCU offers a robust network of student support services and extracurricular activities to facilitate the education experience, boost integration in the local community, and promote cultural awareness and leadership opportunities.

### THE OFFICE OF THE DEAN OF STUDENTS

The Office of the Dean of Students serves as students' primary advocate outside of the classroom, collaborating with the offices of Housing and Immigration, and overseeing Student Affairs, to offer students the best possible experience. With a focus on student safety, accountability, and growth, the Dean of Students is invested in each student's success, whichever form it may take.

### COMMUNITY SERVICE, RELIGIOUS LIFE, AND MULTICULTURALISM

Students' personal development and civic engagement are at the heart of the Office of Community Service, Religious Life, and Multiculturalism. Relationships with a variety of non-profit organizations allow students to give back to the community, enriching their own experience in the process.

Students can receive a Certificate of Participation if they fulfill the following requirements:

1. Fall & Spring Semesters:
  - Complete 15+ hours of volunteering with JCU-affiliated organizations.
  - Attend at least two humanitarian-related Classroom Experiences (lectures/workshops).
2. Summer Sessions:
  - Complete 10+ hours of volunteering
  - Attend at least one humanitarian-related Classroom Experience.

Graduating seniors can receive a Service Honor Cord if they have completed 65+ hours of volunteering through the Community Service Program during their time at JCU.

Reliable and committed students are key to JCU maintaining relationships with its volunteer host organizations:

- To cancel an obligation, please provide notice of at least 24 hours.

- Repeated cancellations without supporting documentation may compromise the student's future participation/involvement in the program's activities.

- Students who withdraw from JCU;
- Students taking the Fall and/or Spring semester off;

### Refund Policy

If the policy hasn't started, a full issue can be refunded. After the policy has begun, a partial refund of unused months may be issued.

### Mandatory Medical Leave of Absence

In some circumstances, and only after an individualized assessment, the Dean of Students may require a student to take a medical leave of absence. The assessment would need to conclude that:

1. there is a significant risk to the health or safety of the students or others, or that the student's behavior severely disrupts the University environment, and
2. that no reasonable accommodations can adequately reduce the risk or disruption.

For further details, refer to the [Mandatory Medical Leave of Absence Policy](#).

## RESIDENTIAL LIFE

Residents in JCU Housing become members of a residential and educational community.

Resident Assistants (RAs) and Residence Director (RDs) are vital staff in the support network designed to help new residents settle into the city, foster a sense of community in the local neighborhood, and serve as a point of reference during the semester in JCU Housing. During work hours, RAs and RDs mediate roommate conflicts and respond to safety concerns; and after hours, they handle urgent maintenance or health concerns. In the evenings and on weekends, they remain on call to respond to situations of urgent need, collaborating when necessary with other Student Affairs offices, JCU campus security personnel, and local emergency services.

The Residential Life team cultivates a welcoming environment through events and activities. Programming facilitates student connections and skill development. For more information about opportunities, residents can reach out to their RA or RD, or email [reslife@johncabot.edu](mailto:reslife@johncabot.edu).

Please review the [Housing Policies and Regulations](#) to understand the student rights and responsibilities. Pay particular attention to the following information:

Topic	Things to Consider
Alcohol	One bottle of beer or wine per resident. Total number of bottles in assigned apartment at any given time, including empties, must not exceed this limit. <b>No hard alcohol</b> on JCU premises at any time.
Safety and Security	24/7 surveillance in all JCU residences. RAs, RDs, and security guards available. Call JCU Emergency Number (printed on back of JCU ID badge) in situations of urgent need.
Roommate Conflict Relocation Request	This procedure is different from the standard Relocation Request. To request a move because of a dispute with a roommate, please submit the <a href="#">Roommate Conflict Report</a> .

### IMMIGRATION SERVICES (Permit to Stay and Declaration of Presence Policy)

The Office of Immigration Services acts as point of reference with Italian immigration authorities and ensures students comply with immigration directives, including attending the mandatory appointments to request a Permit to Stay.

In accordance with Italian law (Art. 5 of Law 286/1998), JCU requires all foreign students to be authorized to study in Italy. The Office of Immigration Services guides JCU students to obtaining and maintaining their legal status in Italy.

To enter Italy with the purpose of study, non-European citizens must first obtain an Italian student visa (except for stays of less than 90 days during the Summer Sessions, based on the student's nationality). It is illegal to enter Italy under a tourist visa with the purpose of remaining more than 90 days.

Once in Italy, Non-European students attending the Fall or the Spring semesters must fulfill the appropriate immigration requirements within 8 working days of their date of entry.

**Visiting and ENLUS** students who obtain a visa for less than 150 days will need to file a Declaration of Presence (dichiarazione di presenza), while **Visiting and ENLUS** students whose visa is longer than 150 days will need to request a Permit To Stay (permesso di soggiorno).

**DS, Master students, and students who are registered for two consecutive semesters must request the Permit To Stay.**

Non-European students attending summer sessions might need to request a Declaration of Presence: the process is only required when they do not obtain an entry stamp from an Italian airport.

#### *Obtaining/Renewing a Permit To Stay*

1. Attend the Post Office appointment and obtain the Permit receipt and fingerprinting appointment date.
2. Attend the fingerprinting appointment at the *Questura* (central police station).
3. Wait for the email from the Office of Immigration Services, informing students that the Permit to Stay card is ready for collection (usually 50/60 days after the fingerprinting appointment).

Please note:

- Students who miss their scheduled Post Office appointment will be fined **€100.00** and a hold will be placed on their student account.
- Students who miss their scheduled Fingerprinting appointment will be fined **€250.00** and a hold will be placed on their student account.

- To be sponsored throughout the immigration process, students must be registered full-time for classes and must not have any holds on their student account.
- Immigration paperwork varies by student. Be sure to check your requirements from the moment you receive your acceptance letter and throughout your time at JCU.

Students are responsible for keeping their Permit to Stay up to date and must go through the above three steps again to renew it. Students must provide the Office of Immigration Services with a copy of their valid Permit to Stay once they collect it.

If the Office of Immigration Services does not receive a copy of a valid Permit To Stay, the University will:

1. Block the student's registration for the following term (until a valid Permit To Stay is presented).
2. Block the student's transcripts if they have not complied by the end of the semester.
3. Withdraw the student from classes and suspend participation in any University activity.

#### *Other Important Considerations and Travel Restrictions*

- Students going through the immigration process are expected to check their JCU email account regularly for communications from the Office of Immigration Services.
- Students waiting for their very first Permit To Stay Card may leave and reenter Italy only if they have a valid multi-entry visa. Students traveling under circumstances other than these do so at their own risk.
- Non-European citizens applying for or renewing a Permit to Stay cannot travel within the Schengen Area unless they have a valid visa or a valid Permit to Stay card. Direct flights from Italy to outside the EU are permitted, but free travel within the Schengen Area is not allowed without a valid Permit to Stay card or a valid visa.

#### **STUDENT ENGAGEMENT**

Developing programs that foster critical thinking skills and support holistic student development, the Office of Student Engagement oversees the following: Athletics; Cultural Programs, Activities and Trips; Performing Arts; Student Clubs and Organizations; and Student Leadership Programs.

### Athletics and Outdoor Education

Sports and outdoor education are coordinated by the external association “[ASD Stone Tower](#)” whose mission, in support of building a strong sense of community, is to offer exceptional educational and instructional programs that promote health and wellness. The association puts together sports teams and organizes fitness classes, tournaments, and retreats.

For more information, consult the [ASD Stone Tower Handbook](#).

Physical Exam
<ul style="list-style-type: none"><li>• Participation in any athletics activities, including Outdoor Education trips, requires the student to pass a physical exam.</li><li>• Based on the level of activity, a higher-level ‘competitive’ certificate may be necessary.</li><li>• This physical exam can be scheduled through the ASD Stone Tower Sports association at the start of the semester for a small fee.</li><li>• You must also register with ASD Stone Tower by filling out a membership form.</li></ul>

### Cultural Program, Activities & Trips

Each semester, a range of engaging and exciting trips and cultural activities off campus is available, showcasing Italy’s rich cultural heritage.

- Check the calendar before the start of the semester to book a place.
- Read the Terms and Conditions carefully before signing up. By registering for an activity or trip, students acknowledge they have read, understood, and accepted these [Terms and Conditions](#).
- Students must be 18+ years old and currently enrolled at JCU to participate in any activity or trip.

### Performing Arts

Teamwork combines with self-expression to produce impressive theatrical and musical productions for the JCU community to enjoy. Roles are not limited to acting, singing, and dancing; they include music, scenery, stage management, technical assistance, costumes, and makeup, and there is also an internship opportunity for earning credits.

## Clubs & Organizations

Student Organizations are a fun and effective means of developing skills such as teamwork, communication, time management, problem solving, and leadership – not to mention an excellent opportunity for making life-long friends.

Types of Club/Organization	
Club/Organization	An officially recognized Student Organization at JCU, representing specific community, social, or cultural student interests.
Society	a recognized Student Organization affiliated with and supported by the academic departments they belong to (e.g. Economics Student Society, Computer Science Society).
Group	Student/Interest Groups are groups of students that wish to meet informally according to common interests and needs. The development of a constitution and formal structure is not necessary for Student/Interest Groups.

Students interested in creating a club, and those wishing to return to an existing club as leaders, must fulfill the following eligibility criteria:

- Current enrolled students;
- In good academic standing;
- Good conduct record;
- In good financial standing with the University.

### *Registration and Recognition*

To start a new club or organization, students must complete the Registration and Recognition process to be officially recognized and supported by the University. Official registration allows clubs to receive support and funding from the Office of Student Engagement and specifies the rights, duties, privileges, and responsibilities of each Student Organization.

The Registration and Recognition process includes:

1. Scheduling a meeting with the Associate Dean of Student Engagement;
2. Forming an executive board with currently enrolled JCU students;
3. Submitting the Intent to Organize Form (contact [clubs@johncabot.edu](mailto:clubs@johncabot.edu) to request the registration packet);
4. Securing an Advisor. All clubs must have a staff or faculty member as an Advisor
5. Writing a Letter of Interest addressed to the Dean of Academic Affairs and Associate Dean of Student Engagement;
6. Submitting a mission statement and a constitution for the club;

7. Sending all the above material to the Associate Dean of Student Engagement ([clubs@johncabot.edu](mailto:clubs@johncabot.edu)).

Proposals are reviewed by the Deans. If approved, a letter will be sent to the organization chairperson, advisor, and Office of Student Engagement. Once all members have completed mandatory training, the organization is considered a recognized organization with all its rights, obligations, responsibilities, and privileges which include use of University facilities, representation at plenary meetings, leadership roundtables, and programs.

As role models within the University, student organization members are required to abide by all policies and procedures in the [Recognized Student Organizations Handbook](#), in addition to the standards required of all JCU students.

#### *Student Government*

[stugov@johncabot.edu](mailto:stugov@johncabot.edu)

Committed to supporting the mission of the University “by using to the fullest extent the unique resources of a multicultural faculty, an international student body, and the incredibly rich culture and history of Rome and the surrounding region”, Student Government encourages interaction between all three branches of the academic community: administration, faculty, and the student body.

Formed of a Cabinet and a Senate of elected Representatives for each Academic Department, Student Government seeks to provide the official voice through which student concerns, needs, opinions, and ideas may be expressed, providing and stimulating student participation in overall policy and decision-making within the University.

#### *Student Policy Advisor*

[studentpolicyadvisor@johncabot.edu](mailto:studentpolicyadvisor@johncabot.edu)

The Student Policy Advisor (SPA) is a student leader within Student Government. The SPA advises individual students on the University’s academic and disciplinary policies and procedures as well as recommending policy changes to the Administration.

JCU counselors may disclose details to relevant staff, only if they feel the student's life is at imminent risk, or if the student poses such a risk to other individuals. JCU will inform partner institutions if their student is a victim or perpetrator of a crime or serious breach of the JCU Code of Conduct, as well as any emergency medical situations that require hospitalization.

### Reporting Sexual Assault – What You Need to Know

*It is your right to report sexual assault to the authorities*

Medical support in Italy is offered through the public health system:

- Doctors will perform a full medical exam and collect evidence;
- Referral to a public hospital in Rome for preventative treatment;
- Psychological assessment with social workers.

Important: Doctors are obliged to contact the police who will either come to the hospital to take a statement or will set up an appointment for the following days. JCU can accompany the survivor to the police station for this appointment.

To press charges, medical documentation from a public hospital is essential.

See <https://www.differenzadonna.org/codice-rosa/> for additional details of Italian initiatives to support victims of sexual violence.

# COMMUNITY STANDARDS & DISCIPLINARY PROCESS

Through shared adherence to the University's Code of Conduct, students can contribute to a culture of cooperation and mutual respect. JCU's established set of Community Standards covers physical and virtual spaces on and off campus, making students ambassadors for the University within the local community. These rules also serve to protect all members of the JCU community, including students accused of violations.

## SPECIFIC POLICIES

### Alcohol and Drugs

While the legal drinking age in Italy is 18 years, the University limits the possession and consumption of alcoholic beverages on campus as follows:

- Residents of JCU Housing should consult the [JCU Housing Policies and Regulations](#)
- Students may not bring their own alcoholic beverages, including sealed or closed containers, onto campus (buildings, courtyards, terraces).
- Student funds, collected and administered by the University, may not be used to provide alcoholic beverages for student events hosted off campus.
- For authorized student events, consult the [Social Events Policies and Procedures](#) handbook.
- Any substance or product containing legal marijuana, Synthetic Cannabinoids (commonly known as K2/Spice), or any New Psychoactive Substances (NPS) sold in store or on the street is prohibited on campus.
- The use, possession, sale, giving, or exchange of illegal or prescription drugs (as defined by Italian law) is strictly prohibited on all University premises.

Any student who causes a disturbance on or off campus, destroys or damages property, harms any person, or is hospitalized as a result of alcohol or drug use, is subject to disciplinary action.

### Resources

Alcohol and other substances can cause dependence and pose serious risks to your health, impacting everything from your overall wellbeing and personal relationships to your studies and finances.

[Alcoholics Anonymous in Rome](#) and [Narcotics Anonymous Italia](#) are two resources that offer English-speaking services in Rome.

## Animals on Campus

Refer to Animals on Campus Policy on the [Disability Accommodations page of the JCU website](#).

### Resources

The Office of Disability Accommodations and the Chief of Staff will coordinate as necessary with other offices such as Housing for the implementation of appropriate and reasonable adjustments of Service Animal arrangements implemented under this Policy.

The Office of Health & Wellbeing offers support and assistance to JCU community members who may be adversely impacted by the presence of a Service Animal in JCU spaces. Staff will liaise with the appropriate office to reach a resolution or make reasonable accommodations to support the wellbeing and safety of all JCU community members.

For further information on Service Animals in a university environment, JCU community members may refer to the relevant section of the [Americans with Disabilities Act](#).

## Discrimination, Harassment, Bullying

JCU Community Standards prohibit discrimination and harassment, including bullying, hate speech, gender-based harassment, and sexual harassment.

### Discrimination

Treating an individual or group less favorably than others because of race, religion, ethnicity, national origin, gender, age, marital status, familial status, disability, economic status, or sexual orientation or reassignment, or any other factor unrelated to effective contribution, ability, or potential.

### Harassment

Unwanted conduct or speech violating a person's dignity, or creating an intimidating, hostile, degrading, humiliating, or offensive environment that interferes with a person's learning, work, or social wellbeing.

Harassment includes the following:

- **Bullying:** repeated or persistent action, criticism or abuse in public or private which intentionally or unintentionally humiliates, denigrates, undermines, intimidates, or injures the recipient. Bullying includes setting up a person to fail, ridicule, exclusion, victimization, unfair treatment, or the abuse or misuse of power.
- **Hate Speech:** highly derogatory or grossly degrading speech intended to dehumanize, humiliate, or incite hatred against persons or groups because of their race, religion, gender, sexual orientation, or disability.

- Gender-based Harassment: acts of verbal, non-verbal or physical aggression, sexual bullying, intimidation, or hostility on the basis of sex or sex-stereotyping (such as sabotaging female students' work or heckling a student because of their sexual orientation or gender identity, whether or not disclosed).

### *Sexual Harassment*

Unwelcome verbal or physical conduct of a sexual nature, including sexual advances, statements, and requests for sexual favors. The unwelcome nature of such verbal or physical conduct may be inferred by such characteristics as aggression or persistence even after its target has expressed that it is unwelcome.

Sexual harassment will be implied where there is power asymmetry (such as that between an instructor and a student, or a supervisor and a worker). Sexual harassment includes:

- Unwanted sexual statements: jokes, comments on physical attributes, spreading rumors, sexual bullying, or talking about or rating others' sexual activity or performance.
- Unwanted personal attention: letters, phone calls, texts, visits, pressure for sexual favors, or unnecessary personal interaction, with an evident sexual or romantic intent, including stalking.
- Unwanted physical or sexual advances: unwanted touching, hugging, kissing, fondling, touching oneself sexually for others to see, or other sexual activity. This includes domestic violence and sexual assault. Sexual assault is understood as sexual activity in which one party did not or could not consent.

Refer to the full [Discrimination/Harassment Policy](#) published on the JCU website.

#### **Note on Consent**

Within this context, consent is an agreement between two or more participants to engage in sexual activity. Consent should be clearly and freely communicated.

Consent cannot be given by minors, or by individuals who are incapacitated by drugs or alcohol, or who are asleep or unconscious. Agreement to sexual activity under coercion is not considered consensual.

### **Identification**

Students must scan their JCU ID badge to enter and exit University premises must also present it when asked by any official of the University, including faculty, staff, and security guards.

Italian law enforcement officials may ask to see a valid form of photo identification which includes passports, national identity cards, and European driving licenses. The JCU ID badge is not a valid form of identification for purposes outside the University.

In the event of a system malfunction or temporary outage affecting the ID scanning system or the digital ID platform, students will be required to present their *physical* JCU ID badge to gain access to campus buildings. During such periods, campus security will manually verify identification. All students, therefore, must always carry their physical ID badge, even if they primarily use the digital version. Failure to present a valid physical ID badge during system failure may result in delayed entry or denied access until identity can be verified through alternative means.

Failure to scan your JCU ID badge upon entry/exit to campus will result in access restrictions:

1. Entry without scanning will prevent the community member from exiting the campus.
2. Exiting without scanning will result in restricted access to other University campuses.
3. Access to a different campus is only permitted after a correct scan-out from any other campus previously entered. The system will not authorize entry to another location if a prior scan-out is not recorded.

If you forget to scan out or experience technical difficulties:

1. You must report the issue immediately to the nearest Front Office or the Security Desk.
2. Front Office/Security staff will verify your location history and may issue a temporary override.
3. Repeatedly forgetting to carry/present your JCU ID badge may result in disciplinary sanctions.

Misuse of the JCU ID badge compromises campus security and may result in disciplinary action. Examples include:

- Using another community member's badge to gain access to campus facilities
- Lending your badge to others
- Attempting to bypass the scanning system
- Tampering with ID technology

<b>Unreasonable Noise Levels</b>	Students must not exceed a level of reasonable volume on University premises, including in JCU Housing.
<b>Use of University Name or Logo</b>	The use of the University name or logo in any public statement, advertisement, or demonstration is prohibited, unless prior authorization is issued by the President of the University.
<b>Violence</b>	Any act or threat of physical violence, or any act which causes personal injury to another person, is prohibited. This includes sexual assault, understood as sexual activity in which one party did not effectively consent.

## Other Guidelines

### *Dress Code*

Students are permitted to wear the clothing of their choice, regardless of traditional gender norm conformity, provided that such clothing does not violate other aspects of the University Code of Conduct.

### *Ethical Media Posting*

1. Transparency: indicate your identity and intent
2. Reliability: acknowledge information sources; avoid generalizations and negative stereotypes
3. Impact: consider the likely effects on the community
4. Sensitivity: try to include support resources when posting on marginalized communities or sensitive issues; be respectful and open-minded
5. Consent: Never post anything without first obtaining the relevant consent.
  - a. If a person gives consent to the use of their image, make sure the post in question gives them a voice and spreads the message they would like to communicate. The purpose should be to provide a platform through which others can be heard.
  - b. Never post pictures of minors or those who are unable to give consent; their identities must be protected.

### **CODE OF CONDUCT**

The University's disciplinary procedures are designed to foster community and uphold reasonable expectations for good behavior. Our internal policies are not the same as legal proceedings, but they do aim to provide a fair evaluation of individual responsibility, educate all involved parties, and safeguard the wellbeing of the University community.

- The Code of Conduct is administered by the Office of Community Standards.
- Student Conduct Coordinators (SCCs) may be appointed to facilitate the process.
- Reports accusing staff of violations will involve the Chief of Staff.
- Complaints against faculty will involve the Dean of Academics.

### **COMPLAINTS PROCESS**

1. Email the Office of Community Standards ([communitystandards@johncabot.edu](mailto:communitystandards@johncabot.edu)) with questions, concerns, or details of an incident.
2. To report a violation of University policy, thoughtfully review the regulations, policies, and procedures; and be ready to articulate the issue. Third-party reports are also accepted. (See note on anonymous reporting.)
3. Allegations of harassment, discrimination, and bullying can be made via a specific form that the Office of Community Standards can provide.
4. The complaint will be carefully reviewed. If the report has merit, the accused parties will be notified, and the complainant will receive a notification that the formal investigation process is underway. (For incidents that do not meet the standard of actionable behavior, the Office of Community Standards may resort to less formal processes to remedy the situation. The case may be dismissed if insufficient information is available.)

5. Be ready to attend a meeting to discuss the complaint in greater detail (Discovery Conference) and to respond to questions which may arise during the investigation. This phase can take several days or weeks, depending on how many parties are involved, and how much evidence needs to be reviewed to make a decision. Meetings will be recorded for note-taking purposes. The original audio file will then be destroyed. In other cases, a meeting may not be necessary.
6. An outcome letter will be sent to both the complainant and the accused parties, detailing whether a violation of the Code of Conduct took place, the reasons for reaching such a conclusion, and describing any sanctions.

#### **Note on Anonymous Reporting**

Requests for confidentiality or that no investigation into a particular incident be conducted will be weighed against the University's obligation to provide a safe, nondiscriminatory environment for all students, faculty, and staff. Action may need to be taken even where a complainant would prefer complete confidentiality. The Office of Community Standards may consult with senior Administration, including the President, when considering actions that may conflict with the complainant's request. Complainants who insist that their name or other identifiable information not be revealed should understand that an investigation or disciplinary action against the accused parties may not be possible.

#### ***Evidentiary Basis For Findings***

The evidentiary basis for findings of responsibility is 'more likely than not', referring to the preponderance of the evidence standard. This means that the party with the burden of proof must demonstrate that it is more probable than not that their claim is true. Essentially, more than 50% of the evidence presented must indicate that the alleged violation occurred.

#### ***Outcomes***

Per alleged violation, accused students may be found Responsible or Not Responsible. If the student accepts responsibility, the findings will be described as Accepted Responsibility. In situations where insufficient evidence is available to support the findings that a violation was more likely to have taken place than not, No Finding will be specified. At times, the disciplinary process may reveal that a different violation more accurately describes the misconduct, in which case the case notification sent to the respondent and the complainant will detail this.

#### ***Notification Of Findings***

Both the respondent and the complainant will be notified of the findings at the conclusion of the case by the Office of Community Standards. For privacy reasons, not all details featured in the respondent's notification will be included in the complainant's letter. The University uses the software Maxient to issue official conduct documentation. Students who do not retrieve

correspondence via the Maxient link sent to them may be contacted via email. The home institution of Visiting Students may also be notified, should the respondent be found responsible for one or more violations (refer to 'Sanctions' for more information).

### *Sanctions*

The Office of Community Standards seeks to educate community members on appropriate and respectful behavior, especially in situations where misunderstandings, errors in judgment, or violations of the Code of Conduct interrupt the normal operations of the University. This extends to consequences for confirmed violations, including sanctions applied to students found responsible for breaking the rules.

Below is a general guide that provides examples of some sanctions that may be applied to specific violations, designed to enforce and reinforce Community Standards, encourage sound decision-making, and provide the opportunity for personal development:

<b>Violation</b>	<b>Sanction</b>
Alcohol and Drugs Policy violation	Written Warning; Education module for repeat violations
Violence	Probation; Possible suspension
Sexual Assault	Expulsion

- We may notify the home institution of Visiting Students found responsible for any violation; Visiting Students may then be subject to disciplinary action by their home institution as well.
- Bystanders reporting other students for violations that endanger student safety and/or wellbeing may benefit from temporary immunity of the application of the JCU Alcohol and Drugs Policy.
- Parents/guardians may be notified in cases where the sanction could result in the student being removed from JCU Housing or dismissed from the University. In accordance with the relevant privacy laws, JCU reserves the right to communicate with a student's parent or guardian at any time to discuss student misconduct or behavior that risks student health and wellbeing. Situations involving emergency services or significant risk to student life typically result in notifying the emergency contact and home institution.

### *Appealing a Decision*

Students found responsible for violations may appeal an outcome reached by the Office of Community Standards, as may complainants in cases where the respondent is found "not

responsible”. To be granted, these appeals, reviewed by the Office of the Dean of Students, must meet one of the following standards:

1. Demonstrate a lack of fairness in the disciplinary process.
2. Provide details of significant new information that alters the facts of the matter.
3. Articulate an outstanding dispute over the facts, and thus a need to hear from witnesses, the respondent, or the complainant.

Submit the appeal via the Outcome Appeals Form (link provided in Maxient correspondence) within five (5) business days of the date of the notification of the final findings. The content should be formal, articulating at least one of the accepted grounds of appeal. The severity of a sanction is not a valid basis for an appeal.

Should the appeal not have merit, any sanctions applied will remain in effect. Otherwise, the Office of the Dean of Students may:

1. Remand the case to the Office of Community Standards for further review
2. Modify the sanction
3. Refer the case to an Appeals Panel

#### *Appeals Panel*

Should the Office of the Dean of Students issue a motivated decision to refer the case for review by a panel, the following group will be set up by the Office of Community Standards.

<b>Appeal Panel Structure</b>
Member of Community Standards – Secretary
Faculty Member (employee of JCU for at least one year)
Staff Member (employee of JCU for at least one year)
Representative of Student Government
Dean of Students – Non-voting Advisor (participates in all deliberations)
Director of Housing – Non-voting Advisor in JCU Housing cases

The purpose of the panel is to examine the allegations and hear the respondent’s explanation and the complainant’s response. The Appeal Panel secretary will issue all involved parties a written notice.

Once the Panel has reached a decision, the Secretary will communicate the findings and recommendations to the Dean of Students who may uphold or modify the recommended sanctions. The Secretary will then provide written notification of the finalized outcome to both the respondent and the complainant within three (3) business days of the conclusion.

For details of the full procedure, contact the Office of Community Standards ([communitystandards@johncabot.edu](mailto:communitystandards@johncabot.edu)).

### **Violations of Italian Law**

Breaking a University rule or standard sometimes constitutes Italian criminal or civil liability as well. Becoming familiar with both JCU Community Standards and Italian law is important because ignorance of laws and rules is not an excuse for engaging in prohibited conduct. Any violation of Italian law is a matter between the student and Italian authorities; it is not within the power of JCU to intervene in Italian legal proceedings.

Non-Italian citizens have the right to contact their consulate if arrested. Any suspect may remain incarcerated until brought to trial. An Italian lawyer is required for the defense of those arrested for violations of Italian law, and the student is responsible for any expenses incurred.

#### **Note on Retaliation**

Neither acts of retaliation (punishing, either overtly or covertly, or taking negative actions to deter a complainant from making a discrimination or harassment complaint or participating in discussions of such), nor false reporting will be tolerated by JCU and will be subject to disciplinary action through the established disciplinary procedures of the University.
